MORE SUPPRESSED NEWS ISRAEL FIRES ON ANOTHER U.S. SHIP

Remember the U.S.S. Liberty which Israel tried to sink in the 1967 Mid-East war? Some 76 American boys were killed and over 100 injured. The ship had to be scrapped. Unmarked Israeli torpedo boats and jets sought to sink the ship in a swift attack and blame it on the Egyptians. The only trouble was that it failed to sink. To this day the Jews still have not paid the reparations promised over this outrage.

NEW INCIDENT: Last month a U.S. research vessel working with Amoco was seeking oil drilling *sites in the Gulf of Suez.* Israeli naval gun boats fired on the U.S. ship and three times drove her away. Frederick Brown of the State Department said that we have drilling rights under a concession grant from Egypt in 1964.

The daily press in America barely mentioned this news and the controlled T.V. media suppressed it altogether. Mr. Brown said that he has made our position clear but we *"expressed no anger."* Indeed not, after all, is not Israel the tail which wags its U.S. dog?

Time and time again Israel has bitten the hand of the only nation on earth which keeps feeding their bankrupt state. Few people realize that Israel receives over half the foreign aid we distribute throughout the world. The Jews received $3.6 billion of the $6 billion we gave away last year. Not only that but the Jews receive the money as a "grant," meaning they do not have to pay it back, as most other countries do.

Remember the *"Lavon Affair"* in the 1950s? A Jewish spy network operating in Egypt bombed the U.S. Library of Information and an American theatre. This was another case of trying to blame the terroristic act on the Arabs. It backfired and the Jewish spies were arrested. This brought about the resignation of the Israeli government at that time. Today's shooting at another U.S. ship proves that the Jews have not changed.

MORE BLACKS ARE VOTING

Dr. Thomas Pettigrew, a Harvard social psychologist, has found that a far higher percentage of negroes are voting in comparison with Whites. Nationwide 70% of negroes registered to vote actually cast their ballots. This figure jumps to as high as 85% in communities where blacks are candidates for office. On the other hand only 35% to 55% of the Whites vote, depending on the interest in the election. Jews surpass all with a constant 90% turnout in most elections. White Christians are still the majority but their population is decreasing while the non-White birth rate and immigration are skyrocketing. Whites will soon lose their majority status if they do not soon awaken.

BLACKS REJECTED BICENTENNIAL

Thomas A. Johnson of the "New York Times" made a survey to determine the reasons why most blacks rejected participation in the Bicentennial celebration. He found that many felt that *"racial inequities"* caused them to lose interest. A welfare family said; *"What is there to celebrate?"* Annette Samuels, a founder of the Black News Service which went bankrupt because blacks were not interested, said that most negroes are just concerned about themselves. Writer Johnson reported that a financially well-off negro professional man said he would not let his children go because *"people might then think that I am completely satisfied with this country."* What we would like to know is what more can the White tax-payer do to make the blacks happy? Perhaps they should try living in Uganda or Ethiopia where intertribal warfare is killing off blacks by the thousands and see if their native homeland is better than America!

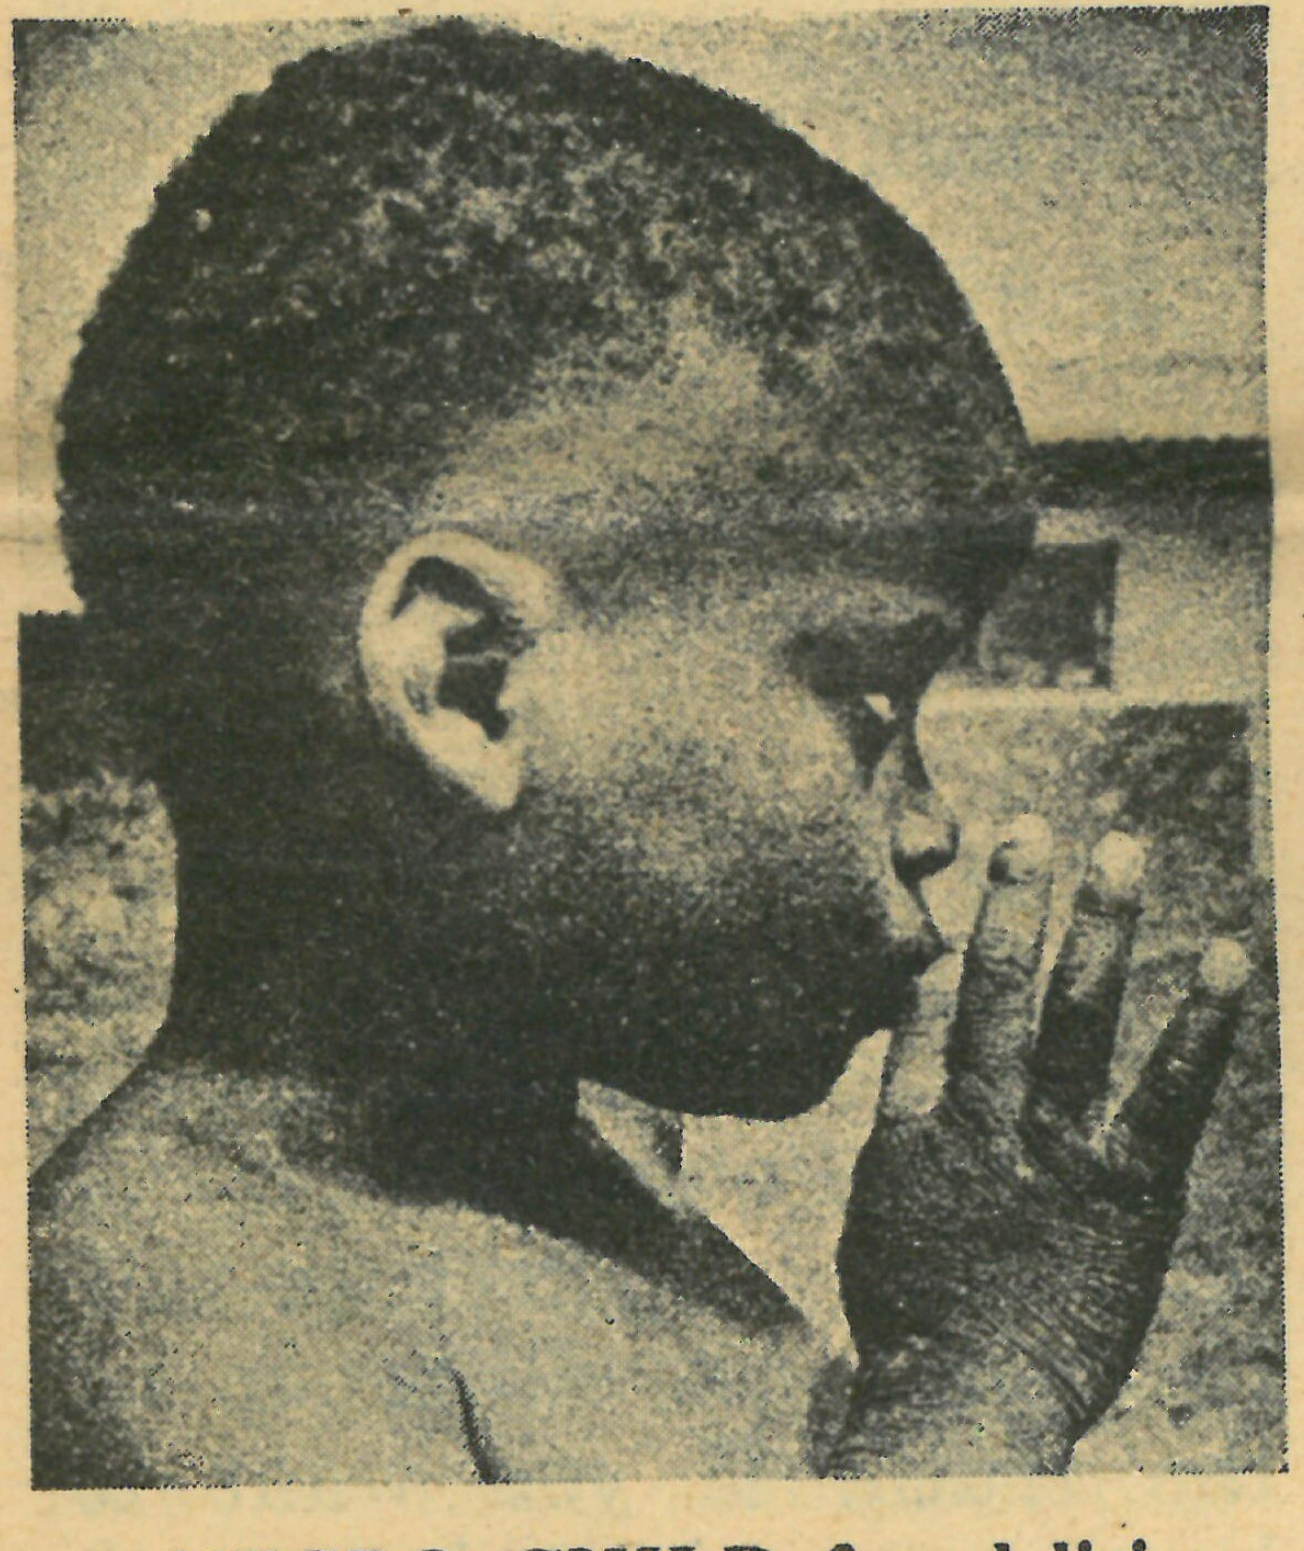
New FBI Chief AgainstGuns

Clarence Kelley is using the tax supported *"FBI Law Enforcement Bulletin"* to disseminate anti-gun propaganda to police departments throughout the nation. In a recent issue Kelley had an article charging that; *"Annual Murders More Than Double U.S. Battle Deaths."* Then he states that a total of 8,428 Americans died in the Revolutionary war, War of 1812 and Mexican War of 1846. While an estimated 20,600 murders were committed by people using guns in 1974.

He failed to explain that negroes are responsible for over 70% of all such murders and over 90% in the major cities. Also over half of those murdered were blacks killed by other blacks. Is this any reason to disarm law abiding Whites? We need our guns to protect ourselves from the blacks. FBI head Clarence Kelly is for gun registration and licensing. In fact he has also said that only law enforcement officers should carry guns. Sounds like the beginnings of a police state if we ever let our guard down on this vital issue.

NEW EVIDENCE OPENS DOOR TO NEGRO BACKGROUND

Dr. Geoffrey Bourne, director of the Yerkes Primate Research Center in Atlanta, Ga. states that it is possible for a human to mate with a gorilla and have offspring. His colleague, Dr. Ken Gould, a cell biologist and reproductive physiologist says that all the details have been worked out in test tube conditions. This suppressed subject was brought to light at a recent meeting of the International Primate Society Conference in London.



NEGRO CHILD found living with apes in Africa. Note calluses on hands caused from walking on all fours with the apes.

Dr. Bourne stated that there is nothing new in crossbreeding between different species. He explained that there are tiger-lions called "tighlions", and zebra-donkeys. Already chimpanzees and gorillas have mated.

It has long been known that both the negro and the ape originated in Africa. All of the discoveries of ape like skulls that are millions of years old have come from Africa. Scientists have a difficult time telling whether or not these forms represent real apes or primitive prehistoric negroes.

It has been pointed out that the negro has longer arms than the White man, but not as long as a gorilla. He has knees like the ape and a smaller and lighter brain than does the White man but not as small as the ape. His flared nostrils and mouth plate are similar to the ape. Many scientists do believe that the negro and the ape are indeed related and come from the same family tree. The White race came into existence at a much later date in time in Europe and made great progress. According to the late Arnold Toynbee, the renowned historian, the White race has been responsible for the creation of 15 great civilizations, the orientals 4, and he says: *"as of today the negro has not contributed to the development of a single civilization!"*

NEGRO APE-BOY FOUND

Not long ago the daily press carried the news of a young ape like negro boy found in Burundi living with a pack of monkeys. He climbed like a monkey, walked on all fours, chattered, grunted and jumped up and down like an ape.

He was taken to a mission operated by Father Pierre Tuhabonye. An American anthropologist, Diane Skelly, reported: *"When I first saw the boy I thought he might be some strange offspring from a human and a monkey."*

The Walter Cronkite T.V. newscaster reported on the case on two occasions. This caused a group of leftist doctors to travel to Africa to study the boy. They came back stating that they believe he was fathered by negro parents. Even if true, he was able to live with apes and adjust to their lifestyles.

Mrs. Imelda Ndikumana who administers the orphanage says: *"He walked on all fours, couldn't chew food, and made monkey noises. He had no idea of what a bed was and slept on the floor."*

Elizabeth Noigenegene in charge of the ward said: *"There was no doubt that he considered himself a monkey. If we dress him, he tears his clothing off chattering and screaming. He has thick calluses on his hands and knees. He refuses to eat meat and prefers soft foods like mangoes, bananas and milk."*

THE THUNDERBOLT EVIDENCE

For years The Thunderbolt has sold a leaflet which shows the similarities between the negro and the ape and a photo of a creature that was once found and claimed by doctors to be half ape and half negro. They are still available at the price of 25 copies for $1. Considering the way negroes are behaving in America as well as in Africa this is more important than ever before. Most people know that the negro I.Q. is 15 to 20 points lower than that of the Whiteman. We believe that this is enough to separate them from the civilized White Race.

Negroes Are Destroying Our Major Cities

Paul Harvey Not Always 'Right'

WHY DID PAUL HARVEY ATTACK PATRIOT?

On this page, we reproduce an article against Col. Edward J. Hatfield, Jr., by Paul Harvey. Col. Hatfield is the head of *"Citizens for American Survival.*"This is an organization made up of very prominent men who oppose Israel's great influence over America. (Little Israel is given over half of all U.S. foreign aid.)

Recently Col. Hatfield's group held a dinner where one speaker was Amin Hilmi, U.N. Observer of the League of Arab States to the U.N. Another speaker was the Jew Dr. Alfred M. Lilienthal who is against Zionism and author of the book*"What Price Israel.*"He concludes that Israel is costing the American tax-payer far too much money.

Prominent members of Col. Hatfield's dinner committeee included Dr. Austin J. App, Norman F. Dacey, Col. Curtis Dall, Gen. Pedro del Valle, Gen. A. C. Wedemeyer and others.

Col. Hatfield issued a statement describing his shock at the Paul Harvey statement. It read in part:*"Paul Harvey, the highly touted 'conservative' commentator, wildly and irresponsibly compounded an already doctored AP bulletin into vicious smear which was broadcast twice over the ABC network of 400 radio stations. In addition, Mr. Harvey extended the smear into the press. . . . Mr. Harvey substituted "Society" for "Survival" in my organization's name and accused me of a crime charging I 'pick the pockets of deluded disciples.' No one on God's earth can prove that charge, as any open examination of the C.A.S. checkbook, or testimonies of persons from whom past monies have been collected for various struggles against the enemy establishment will bear witness. . .*

"This is the standard line of the Jewish Anti-Defamation League which followed my speech on the International Zionist Jew-Rockefeller control of our communications media, government machinery and foreign policy."

"I intend to institute appropriate legal action against the appropriate parties in court. Able lawyers have volunteered to represent me on a contingent-fee basis. We have ample documentation, including broadcast tapes and newspaper clippings."

Signed

Col. Edward J. Hatfield, Jr.
President, Citizens for American Survival

Many have liked the home spun messages of Paul Harvey. Much of what he says apeals to most Americans, but then he will slip in an ADL type attack like the one against Col. Hatfield. Why would he go out of his way to defame a sincere Christian Patriot who is doing a good job? Perhaps Col. Hatfield's suit will bring out the truth. If you want to learn more about how such things occur order a copy of Maj. R. H. Williams book, "The Jewish Anti-Defamation League and Its Use In The World Communist Offensive." Only $1 per copy and available from "The Thunderbolt."

Zealots Who Breed Hate

By Paul Harvey

The professional scaremongers are a crummy bunch.

But the worst evil I see in the scapegoat concept they merchandise is that misled Americans dissipate their energies and resources fighting ghosts when they should be confronting the very real threats to our survival, not the least of which is our own lethargy.

The lousy Communist is nowhere near the menace the lazy American is!

Another of those outfits which imagines that our nation is threatened by a super-conspiracy calls itself Citizens for American Society.

Its promoters pick the pockets of deluded disciples by telling them that an international "Communist-Russian-Marxist-Zionist conspiracy" is trying to destroy the United States.

Paul Harvey

One Edward Hatfield, head zealot of this clan, recently told a fund-raising dinner that President Ford is the latest in a succession of "Presidents who have practiced pure treason by setting a Communist-Zionist foreign policy."

He wants President Ford tried as a war criminal; he says Vice President Rockefeller is worse; he urged Americans to "overthrow this alien government of political scum."

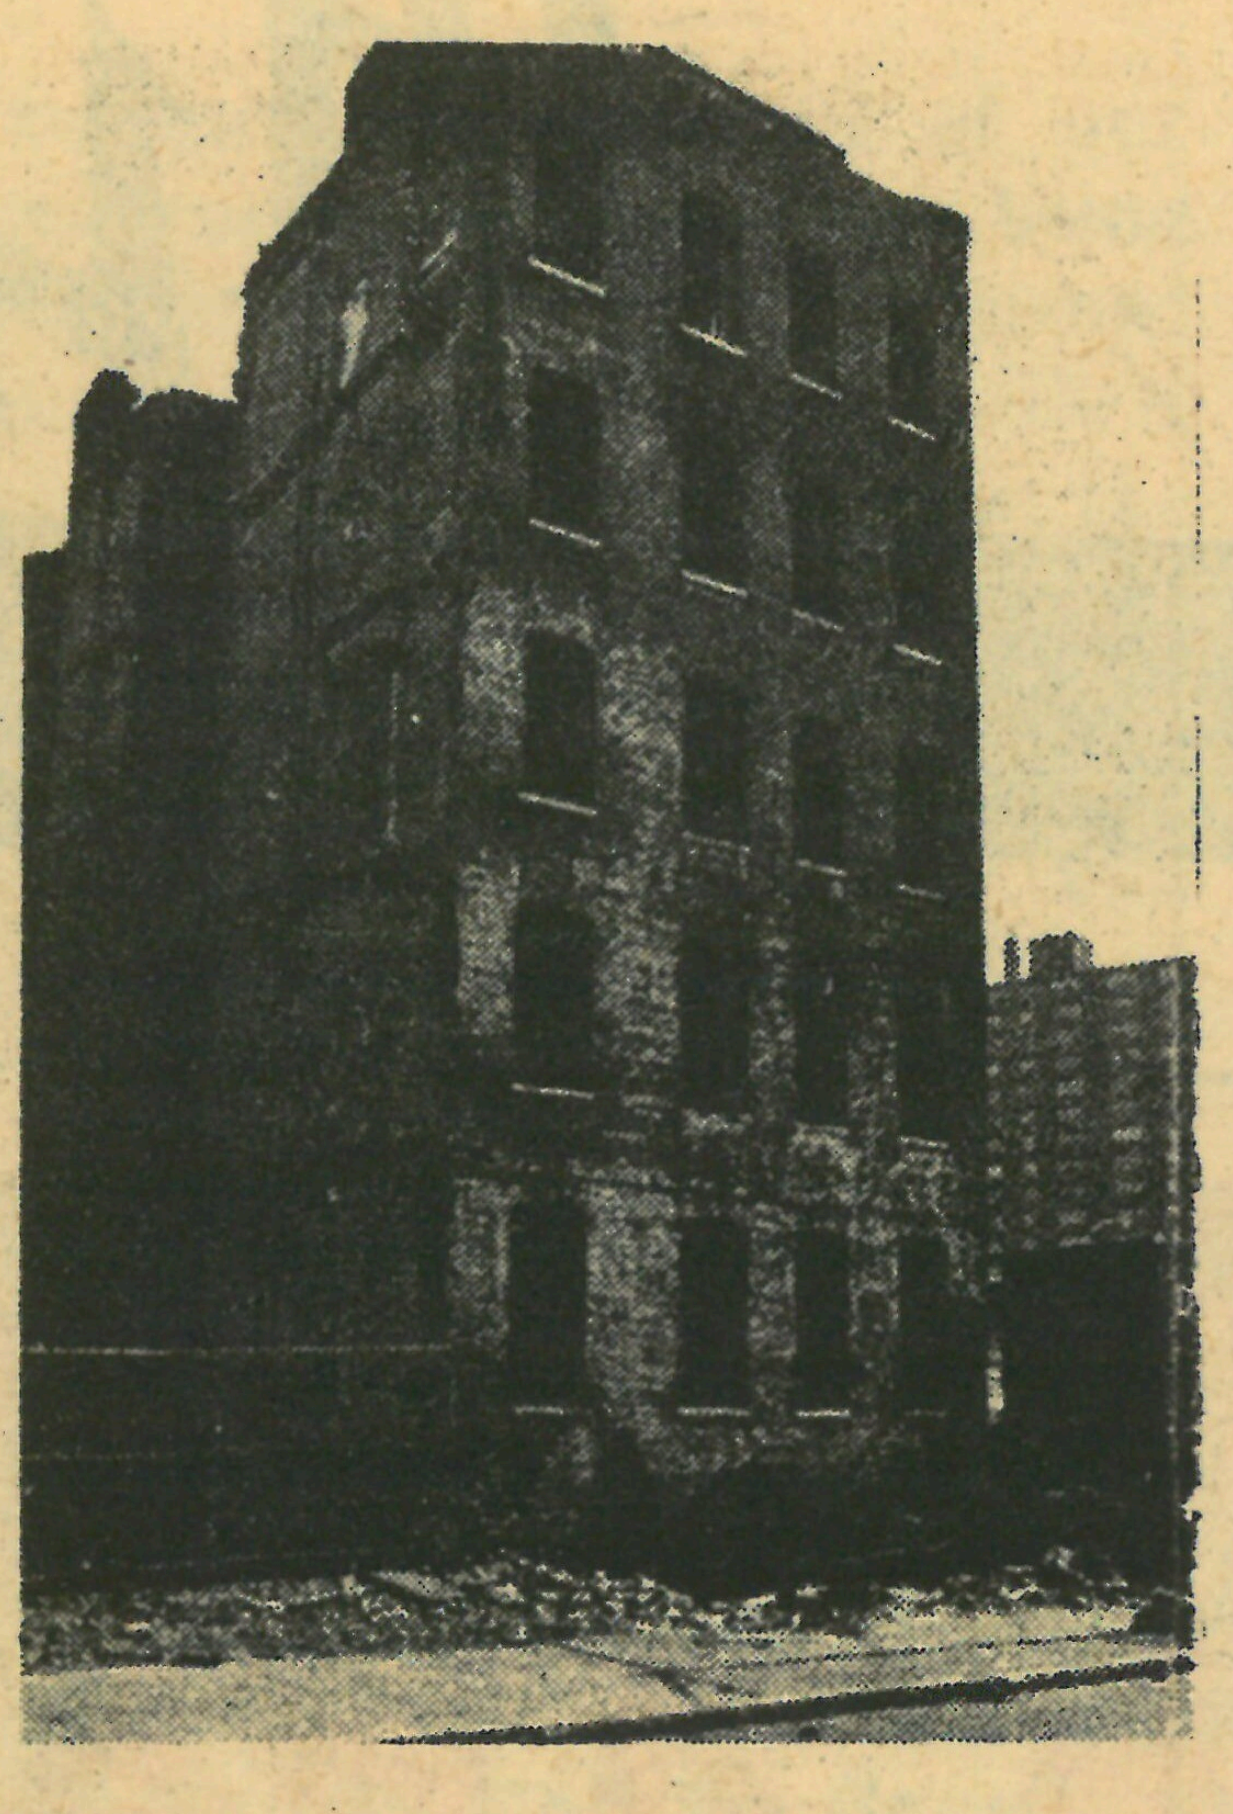
Why turn the news spotlight on such promoters, thus to enhance their unearned prominence? Only because without it incendiary kooks might sneak up on us in the dark.

BIG CITIES TAKEN OVER BY BLACKS ARE BEING WRECKED!

The April 5th issue of "U.S. News & World Report" headlined an article: *"Are All Big Cities Doomed?"* This long article detailed the number of "middle class' people who had left each city and stated only the "poor" and "unskilled" remained. The article left out the key issue of RACE! It failed to state that Whites were the race fleeing ALL of the major cities, and that negroidal non-Whites are the races moving in and taking over the same cities.

The New York Times gives us more shocking details of the exodus out of that sick and decaying city. According to a study of U. S. Census figures by Charles Kaiser, New York City lost 600,000 Whites between 1970 and 1975. They were replaced by 230,000 "coloreds." Predictions based on current trends indicate that 800,000 more Whites will have fled New York City by 1980! That comes to an astounding 1,400,000 Whites fleeing the nation's largest and most important business center in a 10 year period. There is no similar mass exodus in our nation's history to compare with this yet. It is not even mentioned in most daily papers.

Of course, the reason New York City is on the brink of bankruptcy is because the productive Whites are leaving and so is business. The following is a study of certain major centers in America which have been taken over by the blacks and the resulting effect.



BURNED OUT building in Newark, N.J. Looks like bombed out Berlin after W.W. II.

Newark, New Jersey has been completely taken over by blacks. Its downtown business district is deserted after 5 o'clock. It has the highest crime rate in the state and one of the highest in America. Some 400,000 negroes, 33 percent of Newark's population, receive some form of welfare. Of those under age 25, the unemployment rate is 40% and 25% for those over 25. Many of the beautiful White neighborhoods taken over by the blacks are now classified as "substandard housing."

Negro Mayor Kenneth Gibson says that Newark (once called the showplace of N.J.), can only be saved by *"massive doses of federal aid."* In other words, another bailout by the hard working Whites who pay most of the taxes.

It should also be noted that Newark is the city which allows militant black high school students to display the Black Liberation Flag instead of the American Flag. So-called "Swahili Clubs" exist in the school and preach violent overthrow of the U. S. Government. No one in authority dares to challenge them.

All-Black Chester, Pa., what happened to it? It was 10 years ago when negro leaders took to the streets with "Freedom Now" signs and demands for more "equality." There were riots with police injured and stores looted. The State Human Relations Commission investigated and claimed they discovered "defacto school segregation" and ordered cross city busing. Then, the Whites moved out and gave Chester to the Blacks.

The Lyndon Johnson Administration said they would make Chester an example of Black Pride and make it a "Test Tube" city of negroes raising themselves up by their own bootstraps.

Today the school system is 90% black and has a very low scholastic rating.

Some 50% of the negroes there are on welfare of one type or other. The rate of such diseases as tuberculosis, emphysema, infectious hepatitis, and V. D. are very high. The crime rate in this mostly black city is twice that of Philadelphia which is very high itself. Most of the formerly White owned stores on Chester's "Avenue of the States" are boarded up.

"Committee For Freedom Now" which gave Chester's blacks political power was headed by Stanley Branche. He left long ago and became wealthy operating a bar in West Philadelphia. Many believe it was launched on poverty aid money. Branche now lives in the all-White suburb of Devon. He explains: *"Why'd I hang up being a civil rights activist? Because I couldn't make a living in Chester. Yes, I ran. I looked like Jesse Owens getting out of there. Now I live good. I enjoy living good . . .* "Branche does not have a very high opinion of the Blacks who have not been able to escape the Chester, Pa., they took away from the Whites. *"Those still there are freaks"* says Branche.

Donald Jackson has taken Branche's place as the local "civil rights" leader. He has changed his name to Muhammed Kenyatta. He shocked the nation's religious leaders three years ago by demanding $800 million from the EpiscopalChurch as reparations to black people for the injustices they suffer in communities like Chester. Regardless of how bad things are in Chester, their standard of living is 100 times higher than that of the average black living in Africa today. Few realize that there is no such thing as "welfare" in Africa and blacks must live off what they can find in the jungle or they simply starve.

East St. Louis, Illinois is an embarrassement to tourist guides atop the giant Gateway To The West Arch in St. Louis. There are no slums in America more filthy than those in East St. Louis. Not many years ago, this was a thriving business community with a White majority. Today it is 80% black. Crime is rampant, 30% are on welfare, the city is bankrupt, business is fleeing and black leaders say only federal aid can save E. St. Louis.

At the same time, several city officials have been charged with receiving a series of kickbacks and other corruption exists within the all black city government. The situation is so bad that even middle class blacks are fleeing East St. Louis. The question is, does the "environment" make the slums or do low I.Q. negroes create slums out of once proud, clean, safe, and productive White neighborhoods?

Left-wing race mixers say that it is the White people who are at fault! But can we do more for the blacks than we are already doing? We have more different kinds of poverty aid and welfare programs than any country in the world and still the negroes say they become worse off with each passing year. When every city the blacks take over is thrown into chaos, perhaps we should try and determine whether or not there is some hereditary or genetic factor within the negro race that is responsible for its own downfall.

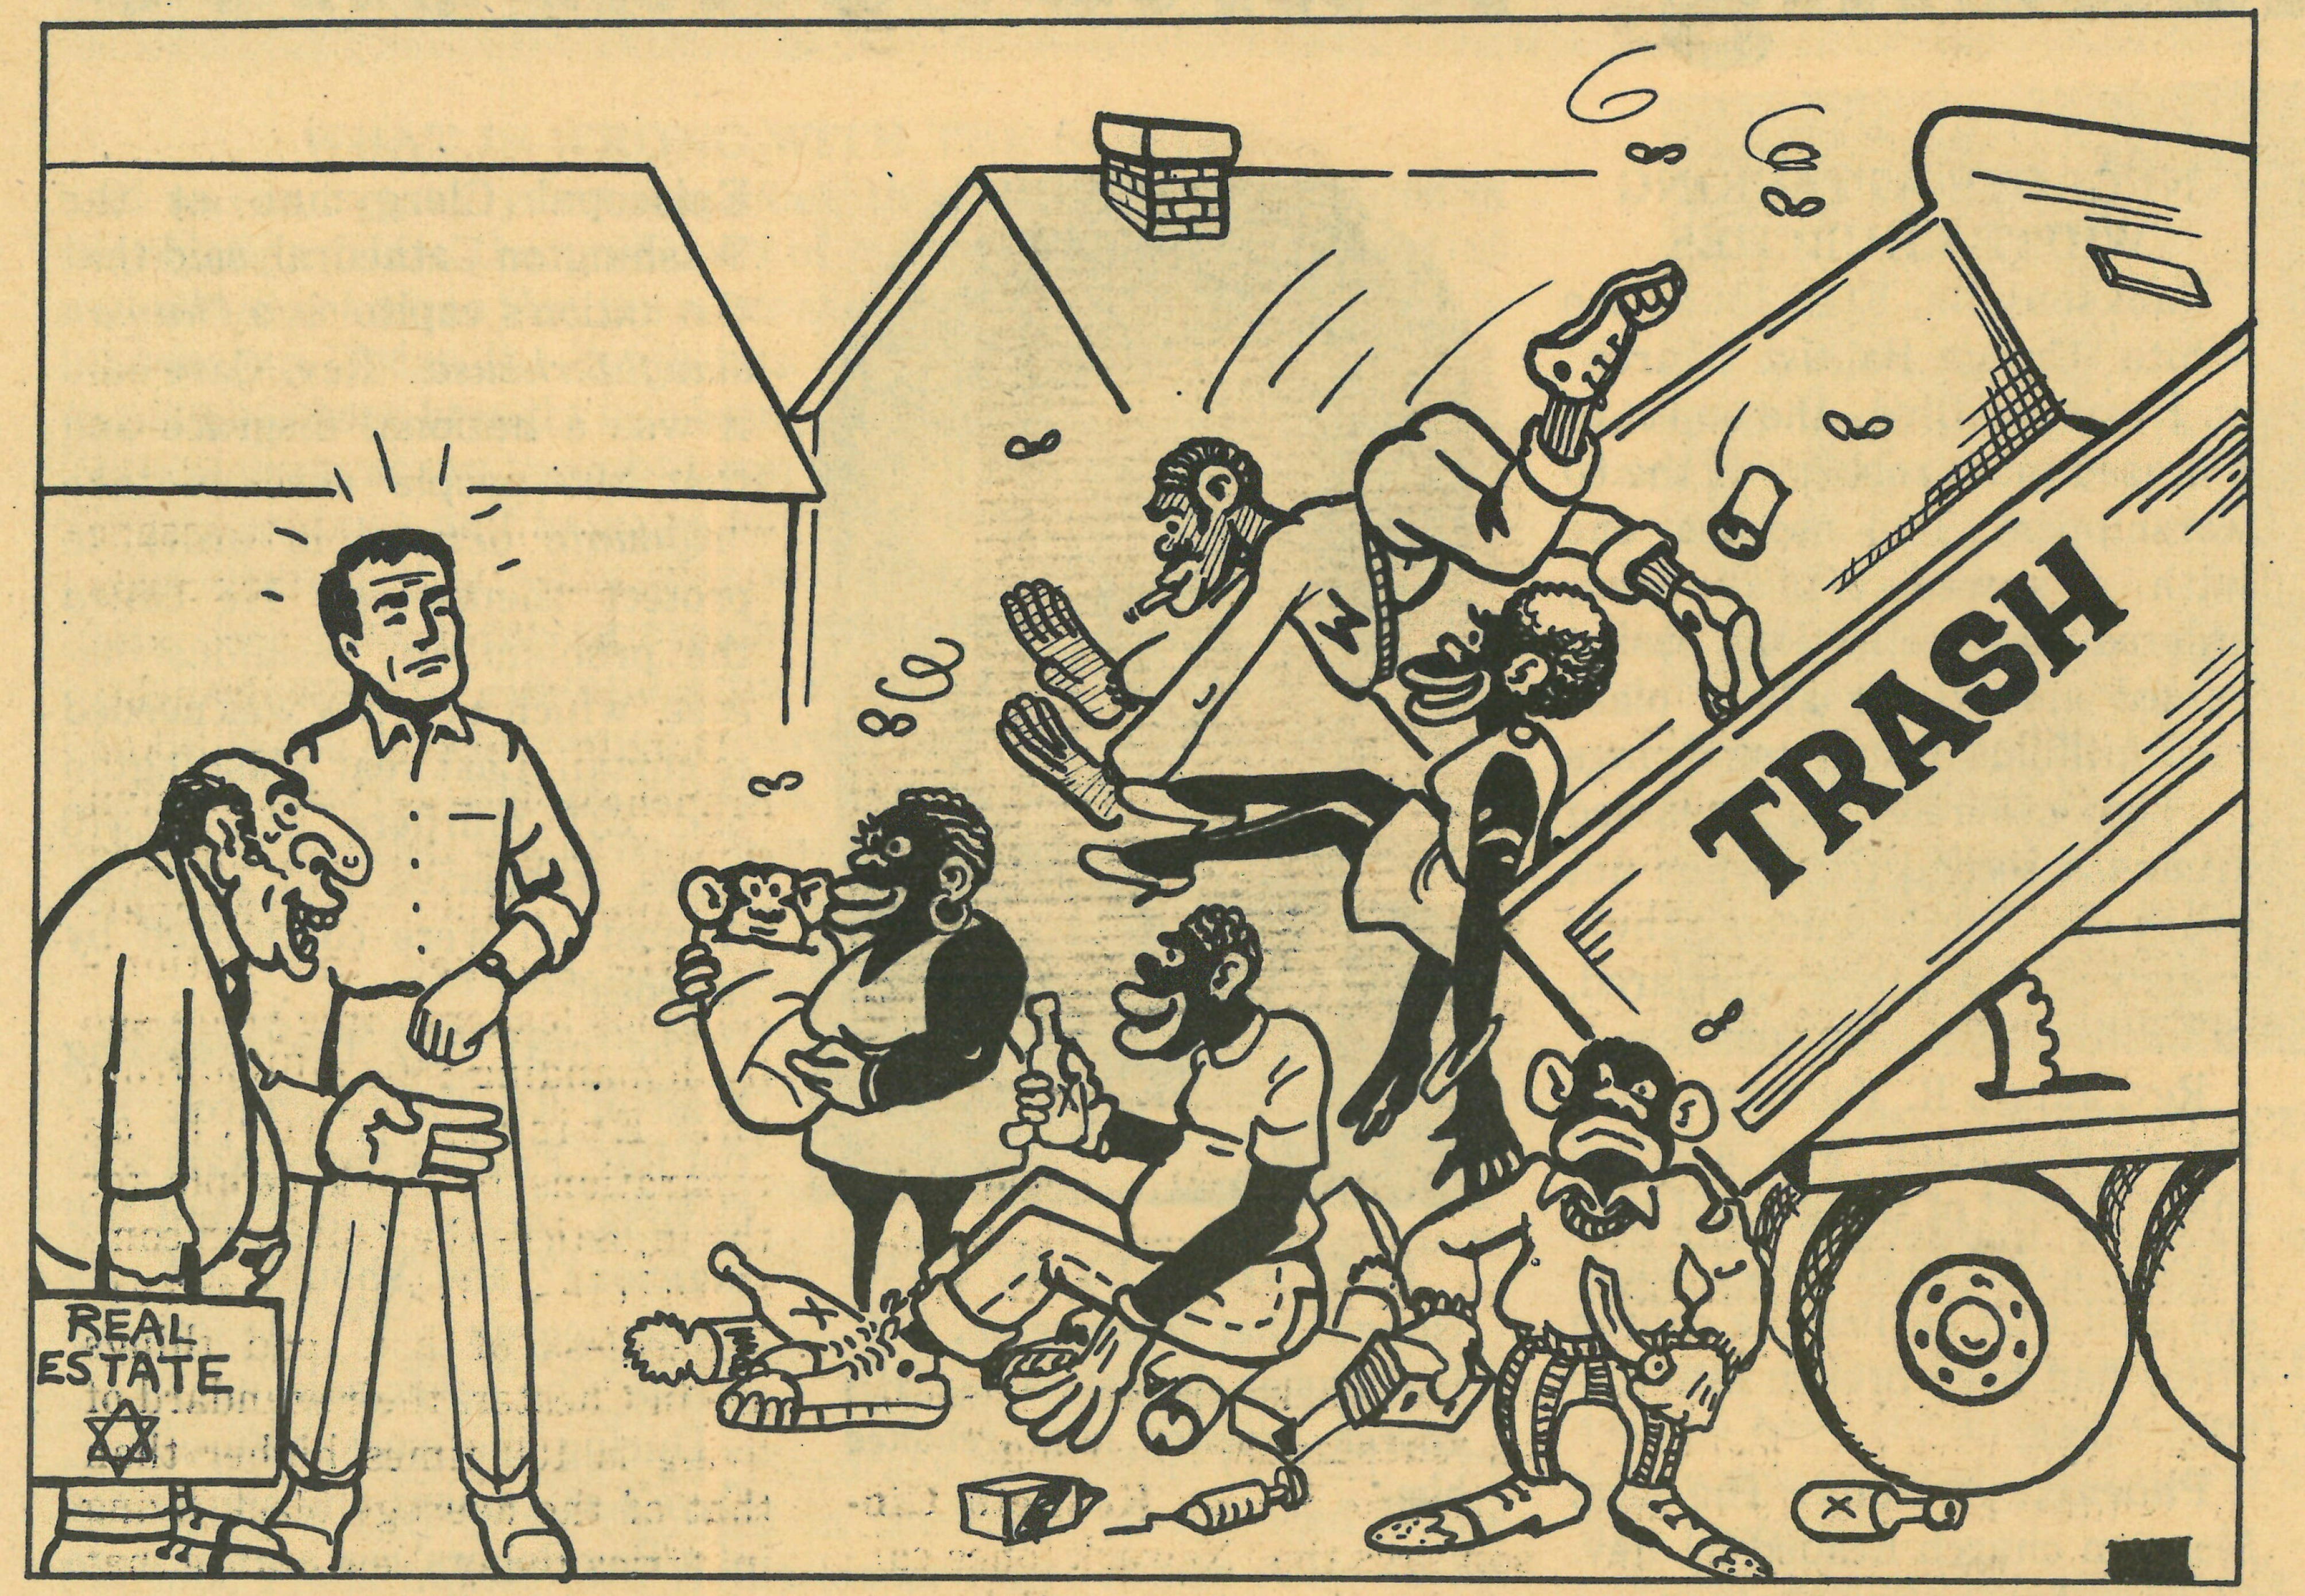
Court Orders "Blockbusting"



SUPREME COURT ORDERS PUBLIC HOUSING IN WHITE SUBURBS

The U. S. Supreme Court in an 8 to 0 ruling ordered future public housing constructed in all-White suburbs. This will have a disastrous impact which can change the face of America. The daily press has played down the full effect this far reaching decision will have upon White Americans.

The case was taken to the Supreme Court by a White Chicago Homeowners Association. They had appealed a local U. S. District Court order to build 1,300 public housing units in White Chicago neighborhoods. The White homeowners suit charged that the Department of Housing and Urban Development (HUD) would *"damage neighborhood communities."* In issuing their ruling the tyrannical *"High Court"* even refused to hear any arguments from the homeowner lawyers who had traveled all the way to Washington.

The court ruled that private groups, or the Justice Department, can now bring local suits requiring the construction of public housing in White neighborhoods. The court even went so far as to allow such action; even when the suburbs involved have not been guilty of racially discriminatory practices."

One official said this meant a flood of *"busing type suits"* all across the nation integrating White neighborhoods everywhere! Already federal courts in Detroit and Atlanta have ordered public housing in the suburbs to *"relieve racial segregation in city schools."* In other words, they plan on using the housing decision to shift vast numbers of blacks out of the central cities into White suburbs. Thus, the decay which is taking place in ALL of our big cities will spread because the negro is the creator of slums.

Negro genetic racial patterns hold negro intelligence (I.Q.) at a much lower level than that of Whites. The primitive habits of the negro injected right into the heart of the peaceful White neighborhoods will have a disastrous effect. It is a statistical fact that whenever negroes move into White areas crime rapidly increases and property deteriorates. Mugging, robbery, rape and murder quickly rise. This is exactly what the Supreme Court has mandated on the American public.

Supreme Court Rules Against Freedom (Supreme Court Always Rules In Favor Of The Minorities)

Martin Sloane, director of the National Committee Against Discrimination in Housing, stated that their group would *"enthusiastically"* follow-up the ruling and the *"sky is the limit in terms of opening up the White suburbs to low-income blacks."*

The American people do not realize the far reaching consequences of this decision. It goes much further than the 1968 Open Housing Civil Rights measure passed by Congress. That made it against the law to refuse to sell homes to any minorities. Stipulated in the law is a provision that an individual selling his property on his own and not through a real estate agency can still choose the buyer by race.

The new high court ruling means that any negro group can ask for future public housing in the White suburbs. They have the use of free taxpayer financed, legal aid groups to file their suits against the "White Community." Racial violence is bound to be the result of this latest radical Supreme Court decision. It will not affect the super-rich, like the members of the Supreme Court itself, and the Pseudo intellectual crowd who believe that they can still seal themselves off in exclusive areas where public housing boards cannot afford to purchase property.

Present plans by HUD call for 300,000 subsidized rentals for minorities in White suburbs during the coming year. Individual housing units will be constructed for the minorities because they do not like the high rise slums of the inner cities. This gives the federal government even more latitude to spread the blacks out even more evenly, wherever they can find a vacant lot to dump them into the White community. It would be much better, for the security of the White people, to have the blacks centralized in their own areas so that most of their crime — which is their natural instinct — will be perpetrated upon one another instead of on the innocent White people living in the suburbs.

WHITE STUDENTS DISCRIMINATED AGAINST

Editor, The Thunderbolt:

In San Antonio a White boy decided to try for a scholarship. As you know, the papers for most anything have a place to put your race White — black and other. Well this boy who was very intelligent filled in his White name and race. After waiting quite a lengthy time and wondering why he hadn't been told anything, it hit him why and he decided to try something. He just filled out some more papers for a try at a scholarship but used a different name and checked the race as being *"other."* A short time later, he got the scholarship. Now if that doesn't show that the White race is being run over, then what would you call it?

U. S. Aid Floods Into Russia

AMERICA CONTINUES TO BUILD UP OUR WORST ENEMY — RUSSIA

By Former Congressman John R. Rarick

Now an independent candidate for Congress in Louisiana.

Despite the fact, that unemployment in these United States is rising almost as fast as the inflation rate, the Federal Reserve Bank, under Arthur Burnski (which is not a branch of Government in any sense) and big business are promoting policies which will throw even more of our American citizens, (especially White Americans) into the welfare rolls, or unemployment compensation lines.

In the midst of this headlong plunge into a depression, which may be as bad as the one in the 30's what we call our Government, and its leaders, continue to spend billions of taxpayers dollars to subsidize Russia, and Israel. The Expert-Import Bank, which gets its money from you, the taxpayer, and robs the working man, the poor, and the elderly. During the past year alone, this bank through the working of Congress and the Executive office, has lent Russia $469,000.00, most of this at 6% interest, which will never be paid back, as they have never paid anything back yet, just as they have reneged on their share of dues to the United Nations, and the commie block has all the votes against us. Then again, 2 billion given away to Israel, who has disrupted the Middle East with her demands for land, which was never Jewish any time in history, nor was the territory she now holds called the land of Israeli.

JOHN R. RARICK

The largest single Eximbank loan to Russia $153,950,000 went to finance their tremendously large new multibillion dollar Kama River truck project, the largest truck and engine factory in the world, which at full capacity, would turn out 150,000 trucks and 250,000 diesel engines in one year. It was also American taxpayers money, which built the largest dam in the world, in Russia. We can expect many more. American industrial workers to be lain off, unemployed and no doubt on bread lines, when these cars and trucks coming from Russia, flood this country, competing with the U. S. manufacturers.

In addition to the subsidy by Congress 65 companies in the United States have invested around $400 million in the project. The Rockefeller family's Chase Manhatten Bank, is financing $86.4 million of this plant, so you see don't you, how great a President Nelson Rockefeller would make . . ? Others have invested very heavily in various areas of Russian technology, all to the disadvantage of American taxpayers and American workers, and stockholders in U. S. firms, who cannot compete with Soviet slave labor.

Our technology is the one single most important fact in the growth of the Russian economy, while ours goes down the drain.

About two-thirds of all large industrial enterprises began and finished, have been built with U. S. materials or technological aid.

It was Ford who built the first large Russian truck factory at Gorki in 1920's; General Electric built the great hydroelectric dam mentioned above, on the Knieper River; The McKee Corp. erected the world's largest iron and steel plant at Magmitogorsk. Plans now call for as many as 1,000 American specialists and technicians to take part in the Kama river work, which is being propaganized as a joining of Russian needs and manpower with foreign skills. This list is disgracefully long of the U. S. firms who are more interested in building up the Russian economy, which is our avowed enemy. These companies are bolstering an enemy, while our economy is drained off. This, our Congress and its President, encourages, while they lie through their teeth, when they say our economy will pick up.

Trade with the Russians is a one-way street of no returns to our people, or our Government, and we are headed in the wrong direction by the Kissingers, Rockefellers, Ford, and others of similar traitorous minds. There are no economic benefits ahead for the American people. The Russians are laughing up their sleeves at the stupidity of our so-called leaders, and how they have pulled the wool over our eyes, and they are free to follow their basic political subversion and aim of attaining world dominion by whatever means possible.

JIMMY CARTER SUPPORTS HOUSING RULING

Remember the statement Jimmy Carter made in an all White Philadelphia neighborhood, to the effect that he believed in "ethnic purity" and the right of ethnic groups to maintain their neighborhoods against outside "invasion." Well, the Pennsylvania election is over and Carter has now taken an opposite stand. Asked about the Supreme Court's ruling to scatter public housing for negroes throughout the suburbs, Carter responded, *"It suits me fine!"*

Carter has publicly thanked the negroes for giving him the huge bloc vote which he needed to win the key states that gave him his present momentum.

Negroes Now Robbing White Churches

"Mental Stress" Killing Negro Athletic "Stars"

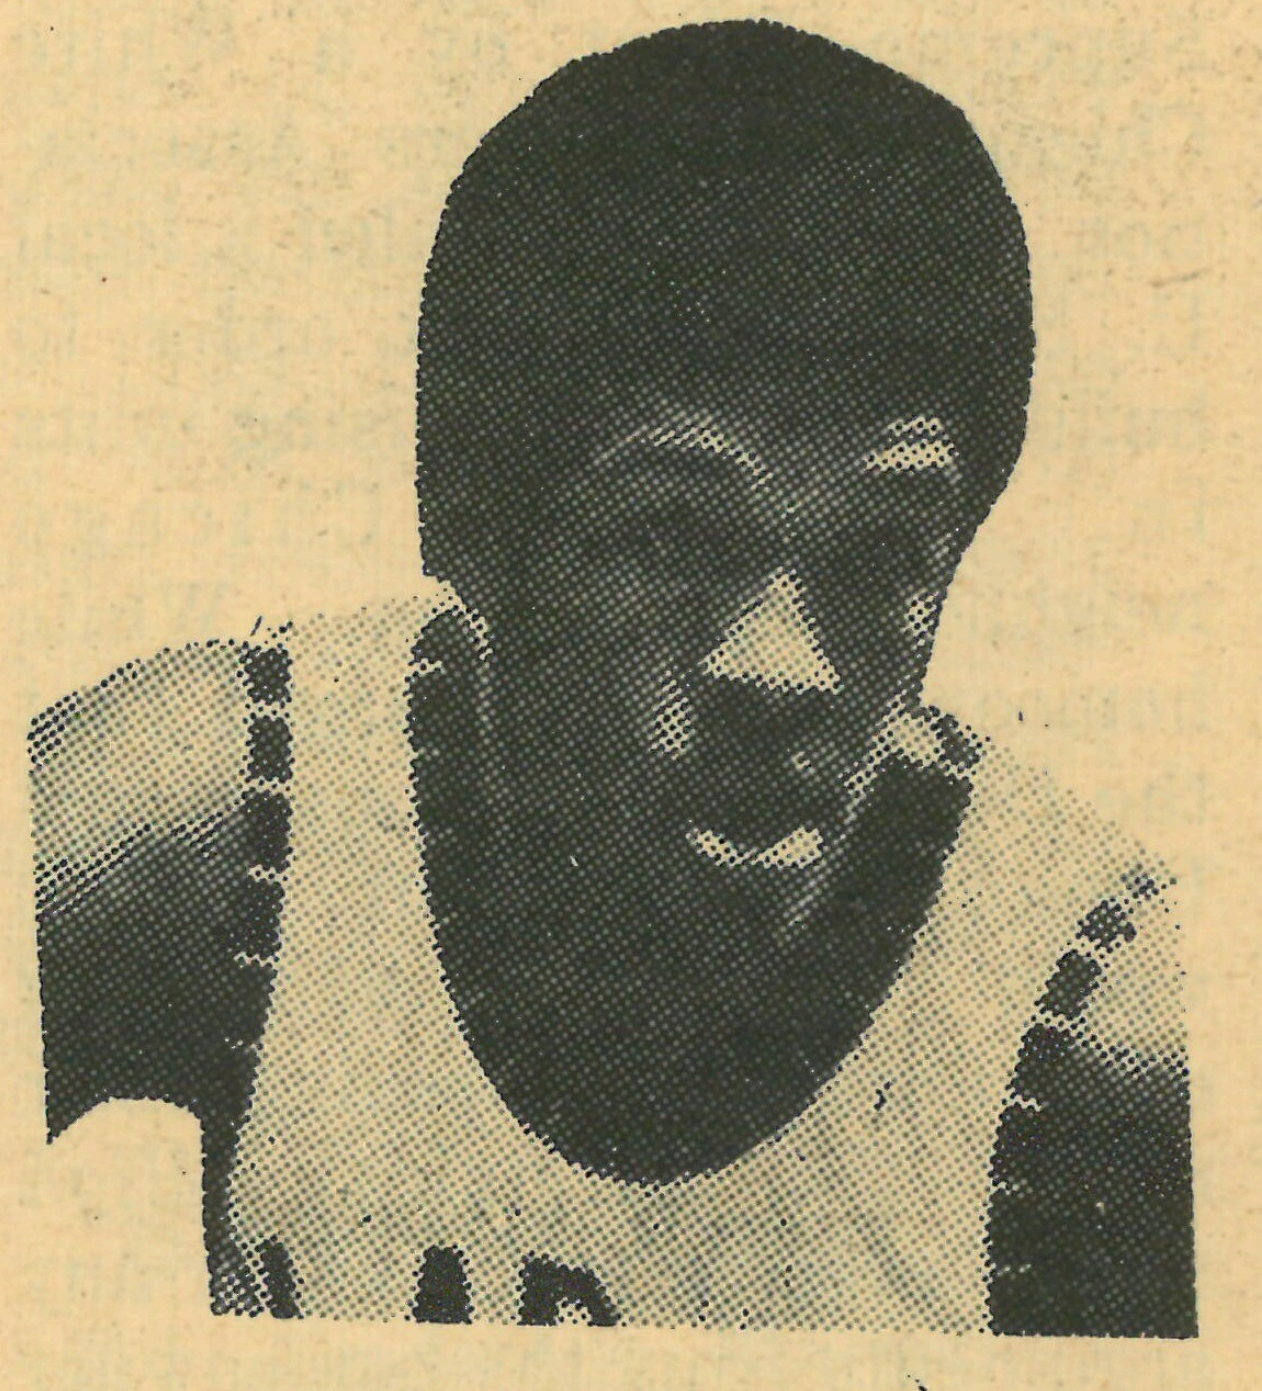
MYSTERY DEATHS OF BLACK ATHLETES

Everyone is familiar with the deadly disease called Sickle Cell anemia which exists only among negroes and those who are part negro. There is no cure for the disease and many blacks can carry the trait and it will later show up in their offspring and eventually result in death.

Dr. James E. Savage, Jr. of Howard University says that there are other still unknown hereditary disorders within the negro race that remain untreatable. Sickle Cell anemia prevents negroes from flying planes in many cases. Now several black athletes have died suddenly without exhibiting any prior symptoms. This usually follows very vigorous physical activity. Two recent surprise deaths were Chris Patton and Owen Brown who were basketball players for the U. of Md. They died suddenly during practice.

Dr. Savage says: *"We are not adequately diagnosing the prevalence of damaging illnesses that are peculiar to blacks. I believe that the deaths of the aforementioned athletes was caused by psychological stresses and strains of winning and losing."*

He says that many negro athletes are deeply depressed and despondent when they lose. Savage wants to find out why grief, caused by losing a game or poor performance, results in strange deaths among young black athletes.



OWEN "Monk" BROWN died suddenly after a U. of Md. basketball game.

While almost nothing is known about this phenomenon it certainly is yet another physical, and or mental difference which exists between the races. Whites take sports as contests, as entertainment, blacks view it as a life or death battle. This is one reason why so many fights break out after negro dominated teams lose basketball or football games. It is another argument against integrated sporting events.

NEGROES ATTACKING WHITE CHURCHES

Jacksonville, Fla., found the White "Ortega Baptist Church" on Roosevelt Blvd., the object of a brazen mass robbery of the 60 worshippers. Two negroes, one with a sawed off shotgun, ordered the collection basket passed around for all to place their billfolds, watches and rings in. They ordered it to be passed around a second time when not everyone contributed their valuables. The robbers declared, *"This time we mean business."*

Rev. James R. Thompson said the congregation was shocked that this sort of thing could take place in a church of God. Thompson said that earlier the church office had been broken into and $225 taken.

Phoenix, Arizona: The local Mormon church headed by Rev. Charles Taylor had their young members robbed as they left the building. The two blacks used racial slurs against the Whites. As more came out, the black youths pulled pistols and shot five White youths. Blood was splattered all over the front of the church entrance. Some 100 parishioners were inside the church at the time of the shooting. Police arrested negro Ralph Burr, 15, and sought another.

Cleveland, Ohio, Mayor Ralph Perk promised more police protection to East Side churches after two Baptist Churches were robbed. One was held up during Wednesday evening prayer services and the other right after they ended. Perk declared, *"We are not going to permit hoodlums to terrorize citizens at prayer."*

REV. JEFFREY P. CAVE charged that Washington, D.C. is a "human slaughterhouse. His church superior later rebuked him.

Priest Murdered In Church

Four young blacks entered the rectory of Rev. Prancratius Krieg, age 76. They pretended to want information on baptism. Then they cut the phone wires and forced several persons to lie face down on the floor. Then they went to the next floor seeking the receipts from a bingo game from the previous night. Those below heard Fr. Krieg cry of pain as he was shot four times. Huge throngs of weeping Catholics attended his funeral held in St. Michael's Church. Police are still seeking the killers.

Minister Says Washington A "Slaughterhouse"

Rev. Jeffrey Cave, an Episcopal Clergyman at the Washington Cathedral, said that the nation's capitol is a *"human slaughterhouse."* Rev. Cave said it was a national disgrace and that the people need to take *"vigilante action"* in order to protect themselves. He called the problem an *"insidious disease"* which a curfew was needed to curtail. Last year Washington had 237 murders and 12,470 rapes, robberies and assaults. Almost all were committed by negroes!

The next day the presiding head of Rev.Cave's church, leftist Rev. Francis Sayre, said that Cave is *"inexperienced"* and *"injudicious"* and should not use *"code words . . . dangerous words"* (he never said negroes).

During the week before Rev. Cave's statement the employees of a Roy Rogers' restaurant were systematically executed by negro killers. A family of five was butchered in nearby Carderock Springs by blacks along with many other "minor" killings in the Washington area.

The following week found fellow clerical voices protesting Rev. Cave's *"radical"* and *"extremist"* statements. He was called *"insensitive"*, *"anti-urban"* and in opposition to the *"needed new sense of brotherhood."*

At least one writer came to Rev. Cave's defense. Patrick J. Buchanan wrote in his column that *"the Pharisees fell upon Canon Cave for having the courage of his convictions."* Buchanan then dared to add the fact that negroes are responsible for the *"overwhelming"* cases of crimes of violence.

Suppressed Reports

CHURCHES TAKING OVER ATHEIST SOCIETY

Madalyn Murray O'Hair, who gained national publicity over her legal suits against prayer in schools, has resigned from the American Atheist Society. Mrs. O'Hair charged that members of the Unitarian Church have infiltrated the group and now control it. She says that Methodists have joined in other states. Many people have held that there were more atheists in the churches than outside. Many "social reformers" in the churches are now coming out and openly admitting that they really are atheists. They remain in the churches so as to use them as a form to promote their anti-Christian views.

Voting Rights For The Insane

A few months ago we reported the recommendations of the California Mental Health Association. They urged that inmates of insane asylums be allowed to marry one another and even raise children in the mental institutions at taxpayers expense. The latest such "insane" proposal has been made in New Jersey. A senate bill would grant voting rights to mental patients confined in institutions. No doubt leftists must feel that their "social workers" would collect the inmates absentee ballots and you can guess how they would help them fill them out. There is no limit to which the far left will go to seize total power in America.

Jewish Lobby Beats Greek Americans

America cut off military aid to Turkey when that NATO country invaded Cyprus and annexed half the island. Greek Americans seeking to help their kinsmen on Cyprus recover confiscated homes, farms, and businesses, persuaded the House to vote a temporary ban on arms shipments to Turkey. Then suddenly the House reversed itself on a 237 to 176 vote.

Reporter Morton Kondracke of the "Chicago Sun-Times" said this was a result of lobbying efforts on the part of *"American-Israel Public Affairs Committee"* in Washington. This committee is owned by the Israeli government and is the "Israeli lobby" in America.Mr. Kondracke reported that he learned the Jewish leaders of the lobby, *"indicated to me that it would be in the best interests of Israel for aid to be resumed to Turkey."*

In other words the House of Representatives quickly jumped to the tune of the Zionist lobby as soon as word went out that they wanted the arms to go to Turkey. This reversal was quietly done behind the scenes despite all the Greek demonstrations and meetings against aid to Turkey. The Jews had just made a deal for mutual assistance with Turkey so this instantly superceded Greek interest. Thus the Zionist lobby displayed their vaunted power over Washington once again.

Jews Protected By News Media

PART OF THE NEWS CENSORED

Last month we saw the hearings in Washington involving officers and non-coms in the Quartermaster Corps who accepted bribes to purchase inferior grades of meat at "Grade A" prices. This meat was then shipped to military bases both here and abroad. Sen. Lawton Chiles said the fraud costs the American taxpayers *"millions of dollars a year."*

Numerous military meat inspectors are being drummed out of the army over the scandal. What the TV expose left out were the names of the companies which were guilty of the bribes. Sen. Chiles estimated that the unscrupulous meat wholesalers pocketed more than $100,000 in illegal profits daily. Two New England firms were the major offenders. They are the G. & G. Packing Co., of Boston, and Blue Ribbon Frozen Food Corp of Hamden, Conn. The firms are owned by the Jews Harry Goldberg and David Goldberg. They are not related except by race.

The three T. V. networks, which are headed by Jews, left this information out of the news and just told about those hwo were bribed. The Jewish firms provided the military beef inspectors with the use of prostitutes, liquor, free trips, clothing, food, tickets to football games and outright cash. One would think that the most important news in this case would be those guilty of such corruption! This is the vital news which was deliberately covered up by the T. V. networks.

"Scalawags" Have Betrayed South

WHAT IS WRONG WITH THE SOUTH?

It was not many years ago when the South was the bastion of Segregation. Here the traditions of our forefathers held that God and nature mandate that the races should not fraternize, socialize, or intermarry. Today the South has awakened to the fact that race-mixing has been brought into being by the very politicians we elected. White conservatives thought them to be in favor of maintaining our White traditions and heritage but they were not.

The truth is that while they were telling the White people one thing they were sneaking around to the black leaders and telling them the opposite. Jimmy Carter is the perfect example. When he ran for office he was elected governor as a "Wallace conservative." During Carter's inaugural address, he stated that the main goal of his administration would be to wipe out "racism" and bring negroes into office.

Mississippi's Gov. Cliff Finch

The political situation in Mississippi is perhaps one of the more blatant betrayals of White patriots. Cliff Finch had a segregationist past. He sought and won the backing of all right wing Whites in the state. At the same time he asked for black support all the while telling the Whites he was just *"fooling the blacks."* Just one guess as to who got *"fooled?"*

Finch invited so many blacks to his inaugural ball that it looked like an NAACP convention. Finch even had the audacity to make negro radical Dick Gregory an "Honorary Mississippi Colonel." The insults continued to be flaunted in the faces of outraged White Patriots. Finch named civil rights leader negro James Allen to his staff, made honorary colonels out of such scum as Charles Evers, a notorious black crime figure, and Aaron Henry, head of the state NAACP.

Leftist scalawag, Patricia Derian, the state's Democratic Committeewoman hailed Finch as *"finally bringing the New South to Mississippi."*

The Georgia Problem

Gov. George Busbee ran for office financed by the major Georgia banks. They illegally poured hundreds of thousands of dollars into his campaign to elect him. They wanted Busbee to pass a bill enabling three giant Atlanta banks to have the legal right to buy up controlling stock in small locally owned banks. Local banks usually made more reasonable loans at lower interest rates than the power structure Atlanta banks. This Busbee did as the first order of business after his election.

Busbee quickly went to work naming negroes to state offices. Recently he named four persons to the state board of education. One was negro A. J. McClung who is officer in the NAACP and National Conference of Christians and Jews. Another was Mrs. Sara Oberdorfer, a Jewess educated at the radical U. of N.C. at Chapel Hill, and now active with the Temple Sinai School.

Gov. Busbee nominated the negro who is now the head of Georgia State Parole Board. White prisoners must appeal to this black because he has the power to veto any White parole applicant.

The South Carolina Shock

For years Sen. Storm Thurmond has been thought of as the backbone of Southern resistance to the 100 year long federal drive to impose Reconstructionist rule over a prostrate White race. The Lyndon Johnson Civil Rights Voting Act had made negroes 25% of South Carolina's registered voters. Last Winter Sen. Thurmond recommended negro lawyer Matter Perry, Jr., to be the first of his race in the South ever to be appointed a federal judge. He was named to serve with the U.S. Military Court of Appeals in Washington.

What is even more revealing is the background of Perry. Working for the NAACP he filed all the assault cases on segregation which integrated S. C. public schools, hospitals, public parks, etc. He overturned the convictions of over 7,000 radicals during the sit-ins of the 1960s. He won release from death row of more than a dozen black murderers and rapists.

When Perry took his oath, administered by black Supreme Court Justice Thurgood Marshall, the press reported that Sen. Strom Thurmond stood beside Washington NAACP head Clarence Mitchell beaming smiles during the ceremony. Back in Columbia, S. C., local columnist Lillian Wiggins wrote that a Jewish assistant in Sen. Thurmond's office, Nathaniel Abraham said; *"I got all of this started ten years ago . . . the senator took some of my advice."*

(Editor's Note: Two years ago, when I (Dr. Fields) led a delegation to visit every senator on Capitol Hill against aid to Israel, the only Christian senator with a Jewess as a receptionist was Sen. Hollings of S. C. This "old Jewish settlement" in Charleston has great power which influences all of South Carolina politics.

They Killed The GOP In Alabama

When Pres. Eisenhower appointed Frank Johnson, Jr. to be a federal judge in Montgomery in 1955 everyone took it for granted that here would be a conservative Republican. He has turned out to be the most radical judge in the South and has surpassed the dictates of Thaddeus Stevens who sought to destroy the White people with his Reconstruction program right after the civil war.

Some have called Judge Frank Johnson the "real governor of Alabama." He has ordered the desegregation of schools, airports, prisons, libraries, parks, YMCAs. He has ordered more blacks on juries, ordered blacks hired by quota and even given instructions as to how many must be promoted over Whites. He ordered the State highway patrol to hire one black for every White hired, etc. His job rulings have far surpassed even the orders of the Supreme Court. Johnson is so hated that for over 20 years he has had round the clock FBI protection.

MISS. GOV. CLIFF FINCH WITH THE WIFE OF THE STATE NAACP leader. His "Governor's Ball" looked like an NAACP convention because of the huge number of blacks celebrating Finch's election.

Frank Johnson has had his life threatened and his home bombed. We have received several reports that Frank Johnson, Jr., is married to a Jewess. If this is indeed the case it would go a long way to answering the mystery of his vehement anti-White views. Frank Johnson's son recently committed suicide and a rabbi in Montgomery performed the funeral. This means the mother had to be a Jewess!

Congressman John Buchanan of Alabama

Rep. Buchanan is another Reconstructionist Republican which has hurt his party's chance of ever developing in the South. Buchanan was swept into office during the Goldwater "landslide" of 1964 which only took place in the South for the Republicans. Every one in Birmingham thought John Buchanan, Jr., to be a White segregationist! An ultra-liberal, so-called religious paper, *"The Alabama Baptist,"* in its June 17, 1976 issue reveals that Buchanan preaches in a mostly negro church in Washington, the Riverside Baptist Church. The writer of that article, Jim Newton, reports that Buchanan is the chief congressman fighting for a bill which would give the 800,000 negroe residing in the District of Columbia, crime capitol of America, their own congressman. Buchanan's bill failed by 45 votes in the House but he says he is not giving up. Pressuring fellow representatives with Buchanan is Walter E. Fauntroy, a leftist civil rights leader in Washington. He is a personal friend of Buchanan and frequently visits John in his safe surburban home in Maryland.

"The Alabama Baptist" has high praise for Buchanan, quoting him as saying, *"I will no longer compromise on civil rights. I'm at the point in my political career where I'd rather lose than fail to do what I think is right."*

We of the National States Rights Party know Buchanan well. He attacked us viciously when we led the demonstrations against forced school integration in Birmingham. He is just now *"coming out of the closet"* and telling the people where his heart has always been — IN BED WITH THE RADICAL RECONSTRUCTIONISTS WHO HAVE A VICIOUS SELF-HATRED FOR THEIR OWN RACE!

The negro bloc vote has become so powerful in Birmingham that John Buchanan now believes it is safe for him to announce that side of the fence he has been on all of the time.

There are many more in office today who have betrayed their racial kinsmen in the South. Because of these scalawag politicians, we have been practically devoid of leadership both on the state level and in Washington. There have been few voices standing up for the poor beleaguered White people. For a long time Southern Senators like Talmadge, Long, Eastland and others held powerful committee chairmanships which could have blocked all kinds of legislation in "trade offs" to stop or weaken civil rights legislation. We do not know of a single instance where this political leverage was ever actually used. The civil rights voting act and Kennedy immigration act have done more harm to the nation and the prospects for the survival of the White race than anything that has come along in our lifetime.

Yes, the future does look bleak but it was even worse after the Civil War when blacks took over our legislatures and became U. S. Senators, governors and congressmen over the South. Federal bayonetts forced race mixing on every vestige of our White society. The Reconstruction continues with false leaders aiding and abetting attacks upon the White Race. What we need are fearless new political leaders who will tell the people the truth and lead them to victory. Right now many folks are sleeping away as the minority political machine grows in power and its hatred for the White Race deepens. With good pay, plenty of drinks, and leisure, many want to let the world pass by while they enjoy the pleasures and luxuries of life. Time is short and the masses can still be awakened if we can sensitize but a few men with the internal WILL POWER and leadership ability to go out into the streets to ring the bells, shout the Paul Revere alarm, that the enemy is coming. We must now arise and unite for the very SURVIVAL OF THE WHITE RACE!

CALLING ALL LOYAL CAUCASIANS

Editor, The Thunderbolt:

Ask yourself these questions: Who is destroying our cities? Our public school system? Our republican form of government?

The answer is: Hypocritical white politicians seeking the negro vote to keep themselves in office. They are aiding the negro to destroy our cities, our public school system, and our civilization. These White renegade politicians would destroy the caucasian race to serve their own gain and short-sighted ends!

Mulatto Whitney Young of the urban league says there are no slums in Germany because of U. S. aid. Indeed, there are buildings in Germany hundreds of years old in use and in a good state of repair. Germans are caucasians and not negroes! The few slums to be seen in Germany are those near our military bases which have been created by negroes of U. S. Armed Forces and those subnormal caucasians, both German and American, who marry negroes.

Negroes in U. S. Armed Forces stationed abroad are guilty of crime far exceeding their numbers and are a disgrace to the U.S. These negro criminals in our Armed Forces are engendering the citizens of the countries where they are stationed!

The negro must be removed from the United States of America: the most humane way would be to return him to Africa. Now that we put men on the moon, let us expend our energies sending the negro on a one-way trip to Africa. We can and we must do it or degenerate to the level of negro savagery! So, loyal caucasians, back to Africa with all negroes and negroids!

The object of society is to preserve and promote the racial integrity and cultural heritage of the White people.

Whites who advocate integration of our race with negroid races are fools, ignoramuses, hypocrites or renegades and in any case are traitors and enemies of the White race.

Think! Reflect! If the White race had depended upon the negro for anything it has or enjoys of a material, intellectual or spiritual nature, Whites would have nothing, ABSOLUTELY NOTHING! Think of that!

The difference between the caucasian and negroid races is the difference between the Pantheon in Rome and a mud hut in the Congo and also that of an extensive and glorious literature and no written language.

Integrationists would reduce the United States of America to a fifth (5th) rate Egypt within a few generations by the creation of a Mongrel negroid race with a culture little above that of the savage negro of Africa.

Governments may be destroyed but again reconstituted, but a race once defiled can never be restored. For the sake of our progeny, we Whites must study Mendel's Law and adopt those measures necessary to preserve the racial integrity and cultural heritage of the White race.

WHAT OUR READERS ARE SAYING

IDEAL MARRIAGES — A CHIEF NSRP GOAL

Editor, The Thunderbolt:

I feel urged to respond to your article in Thunderbolt in which it was stated your concern for supporters to be brought together of all ages for meaningful relationships, marriage, and the procreation of White race.

As I assume you are well aware, being White, proud and Christian separates one from the masses (speaking of the opportunity of meeting eligible men)! I believe this is the birth-right of every wholesome and racially-fit woman (and man) to be brought together for the common cause which is the continuation of the White Race.

I trust this shall become an important part of your great program.

NOW ITS "ENERGY STAMPS"

The "Black Caucus" meeting of negro congressmen and 60 black mayors from around the country came up with a new plan to help negroes meet the rising cost of gas and electricity bills. It is a "brilliant" idea called "Energy Stamps." A. J. Cooper, negro mayor of Prichard, Ala., said that food stamps have proven so popular that energy stamps would solve the problem of high utility bills.

The only trouble is that the taxpaying White majority has just about been pushed to the limit of their ability to pay these increasing welfare expenditures. Remember that they do not have any of these free handouts in Africa and the Whiteman is becoming quite tired of carrying the "colored man's burden."

SHOULD NEGROES BE CONVERTED TO CHRISTIANITY?

For years Christians have been sensitized to give money any time a collection was taken up for missionary work to convert blacks in Africa to Christianity. Now that missions have been forcibly closed in many newly independent African countries and in some cases the missionaries brutally murdered, nuns raped, etc., this program is finally being questioned.

Rev. Eugene Stockwell addressed a meeting of the National Council of Churches in New York and said that a moratorium on missionary work in *"Third World Countries"* should now be considered. He says that they should be allowed to develop their religion in their native way. In Africa missionaries are meeting with many discouraging setbacks as negroes revert back to voodooism and witchcraft and other primitive practices.

THE SLAVES OF SLAVES

Dear Editor:

Someone gave me a copy of your newspaper. Let me say first that I am in complete agreement with you. Being in the cotton business, I am in constant contact with negroes and have observed them for years. You will probably be interested in the theory that I have outlined below. It is only one of many that I have. Many people accuse me of being "wishy-washy", but in this regard I am not.

The theory simply put is that why in the history of all civilization has there been no contribution by the negro? What inventions are they responsible for (other than the peanut)? What technological studies have they introduced? Why are many of them still naked with spear in hand? With this in mind, let me comment about the negro in the USA. It should be noted that the so called great tribes of Africa — the Zambezis and Watusis — are not what we have over here. We have the ones that they caught and sold to our slavers.

I heartily agree with your deportation theory.

Sincerely,
C. M.

LIFE IN AFRICA

Editor, The Thunderbolt:

I want to share a bit of interesting information with the readers of the Thunderbolt.

I read a book called "Black Power" by the former communist negro Richard Wright. He describes his travels to the African ancestral homeland of the Gold Coast (present day Ghana). One of the "cultural experiences" he witnessed in the capital city was seeing his African soul brothers and sisters urinate and defecate on the public streets. These niggers in niggerland weren't toilet trained! Apparently this was so common, Wright had to admit it.

COMMUNIST PARTY OUTLAWED IN SYRIA

You have heard those many stories about our sending billions in aid to Israel to oppose communism in the Arab countries. The truth of the matter is that the communist party has been outlawed in all Arab countries. Egypt long ago locked up all of its communist leaders. Recently Syria arrested 300 communists and their leader Khalid Bakdash fled to Moscow. Syrian Economic Minister Ali Immadi says that his country wishes closer ties with the United States. This is something the Jews want to stop at all costs.

RESISTANCE IN THE ARMY

Editor, The Thunderbolt:

Well, I finally did it. I went and joined the United States Army. You would not believe what I have to put up with. As an example, I recently was forced to attend sixteen hours of race relations classes. We had our little nigger Sgt. telling us all about the evils of racism. Well, I spoke out, and was joined in my fight by E-7 Whyland. Together we gave them hell! I started quoting by memory from the laws of Manu and explained to the class how all of the great civilizations of the past were founded by the White race. Whyland kept them going by crushing all so called proofs of equality. It went on like this for two days. I only wished that I had a copy of the Thunderbolt to show to these people. Well I get the same thing in another six months. Seems that the Army wants to keep the propaganda going.

Next time, I want to really be ready. And that is why I am sending you $10.00 for a two year subscription to the Thunderbolt.

ABORTION DESTROYS WHITE RACE

Editor, The Thunderbolt:

Speaking of abortions, which seems to intrigue and attract white women predominantly, it is a certainty that the black and yellow races will soon outbreed and take over our white civilizations. The white Caucasian comprises only fifteen percent of the world's population! This is just one of the score of long distance rules laid down by Lenin. First integrate the masses in America, make intermarriage the accepted thing, destroy the moral code of the youth, make them decadent, as the surest way to overthrowing an existing society.

We have that today! Abortion is making the sleezy medical buzzards rich. Over 353,000 women in California obtained abortions last year. 18,000 women from Pennsylvania went to New York state to get abortions this past year, 12,000 New Jersey women had abortions in N. Y. state. Out of this vast aggregate only minute number were black!

Senate Votes Money For Public Housing

By a 55 to 24 vote the Senate has approved a $200 million bill to build public housing in White suburbs. This is one of the largest amounts ever approved for such a program. In light of the new Supreme Court decision, we must alert one and all to the problems which the White Race will face in the months ahead.

DISCUSTING NEGRO BEHAVIOR IN CONN.

Editor, The Thunderbolt:

I am an individual who has never been blind as to the blatant animalism and repulsive character of dangerous black savages which swarm throughout our nation. I must say, however, that never have I been so angered at those who maintain the pityful intellectual cliche of the day which weeps of the poor unfortunate downtrodden negro and indignantly demands that all whites pitch in and raise the black to an almost heroic stature as I was today.

You see, I was driving along a major four lane highway approaching a point where another route passes overhead when I viewed a purple Cadillac pulled over to the emergency stop area with about a half a dozen coons standing around the car. The traffic was heavy, as is normal in a metropolitan area of 750,000 and in order to be assured of being able to exit at the proper time I had to move over into the far right lane while I had the chance. I did and in a second or two was close enough to the niggers to see a sight most indicative of there true nature. In broad daylight, during the daily rush hour, and on a major access highway these black nigger coons were urinating all over the side of the road and pointing to their filthy gentials waving at passing motorists. I must say that I felt a strong urge to swerve over and run the ignorant black pigs down. I settled for stopping at the nearest phone booth and calling the police, however, who I later found out gave the stinking savages only a verbal warning.

The state of Connecticut is letting the niggers and now other minority groups upset the daily lives of the white citizens in this lenient type treatment of legal offenders and should be corrected for perservering such injustice. A good way to do so would be to simply enforce the laws as they stand and prosecute to the fullest legal offenders, niggers included!

SOUTH AFRICAN JEWS DON'T WANT TO GO TO ISRAEL

"Jewish Week" in its March 7 issue states that an increasing number of Jews residing in Rhodesia and South Africa are inquiring about emigration out of the two beleagured countries. The paper said that *"it is noteworthy that Jews showed no preference for Israel. Most of the inquiries about immigration visas are at the Canadian, United States and British consulates."*

In other words the "self-chosen" people have decided that Israel is not the promised land! It is expected that over 50% of all Jews leaving Russia this year will choose nations other than Israel. Most want to come to America. All admit that personal financial considerations primarily motivated their decision.

No Campaign To Free Germans Trapped In Russia

WHY NOT EMIGRATION FOR THE VOLGA GERMANS

There are 2 million "Volga" Germans living in Russia. They were invited there by Catherine the Great in the first half of the eighteenth century. They produced great farm crops when they lived in the rich lands of Southern Russia along the Volga River. During World War II Stalin ruthlessly had them uprooted and transported thousands of miles to a desolate area far to the east of the Ural mountains. While other nationality groups have been allowed to return to their homes it has been declared that the Germans never will!

For this reason the Volga Germans have petitioned the Soviet government on several occasions for the right to emigrate back to Germany after their 200 year stay in Russia. Despite persecution by the KGB secret police the German Civil Rights Committee inside Russia submitted to German Chancellor Helmut Schmidt a list of 15,000 persons who want to emigrate. In November Sen. James Buckley handed a list of 6,000 to Bonn authorities who want repatriation back to their German homeland. Recently the European Security Conference in Geneva received an appeal from 987 German families representing 5,000 dependents who want to go home.

Thus far there has been no relief for these people who are the most oppressed minority in the Soviet Union. Why does not Sen. Henry Jackson raise his voice for these people? Why is it that only Jews have the right to leave Russia if they wish? Why is it that Jews are the only people behind the Iron Curtain who receive publicity in the news media? Why is it that no politician is concerned about Volga Germans but fall over one another demanding that the Jews be allowed to move to Israel, America, and even back to Russia if they so desire! Perhaps they are truly the first real "World Citizens."

National States Rights Party Meetings Grow

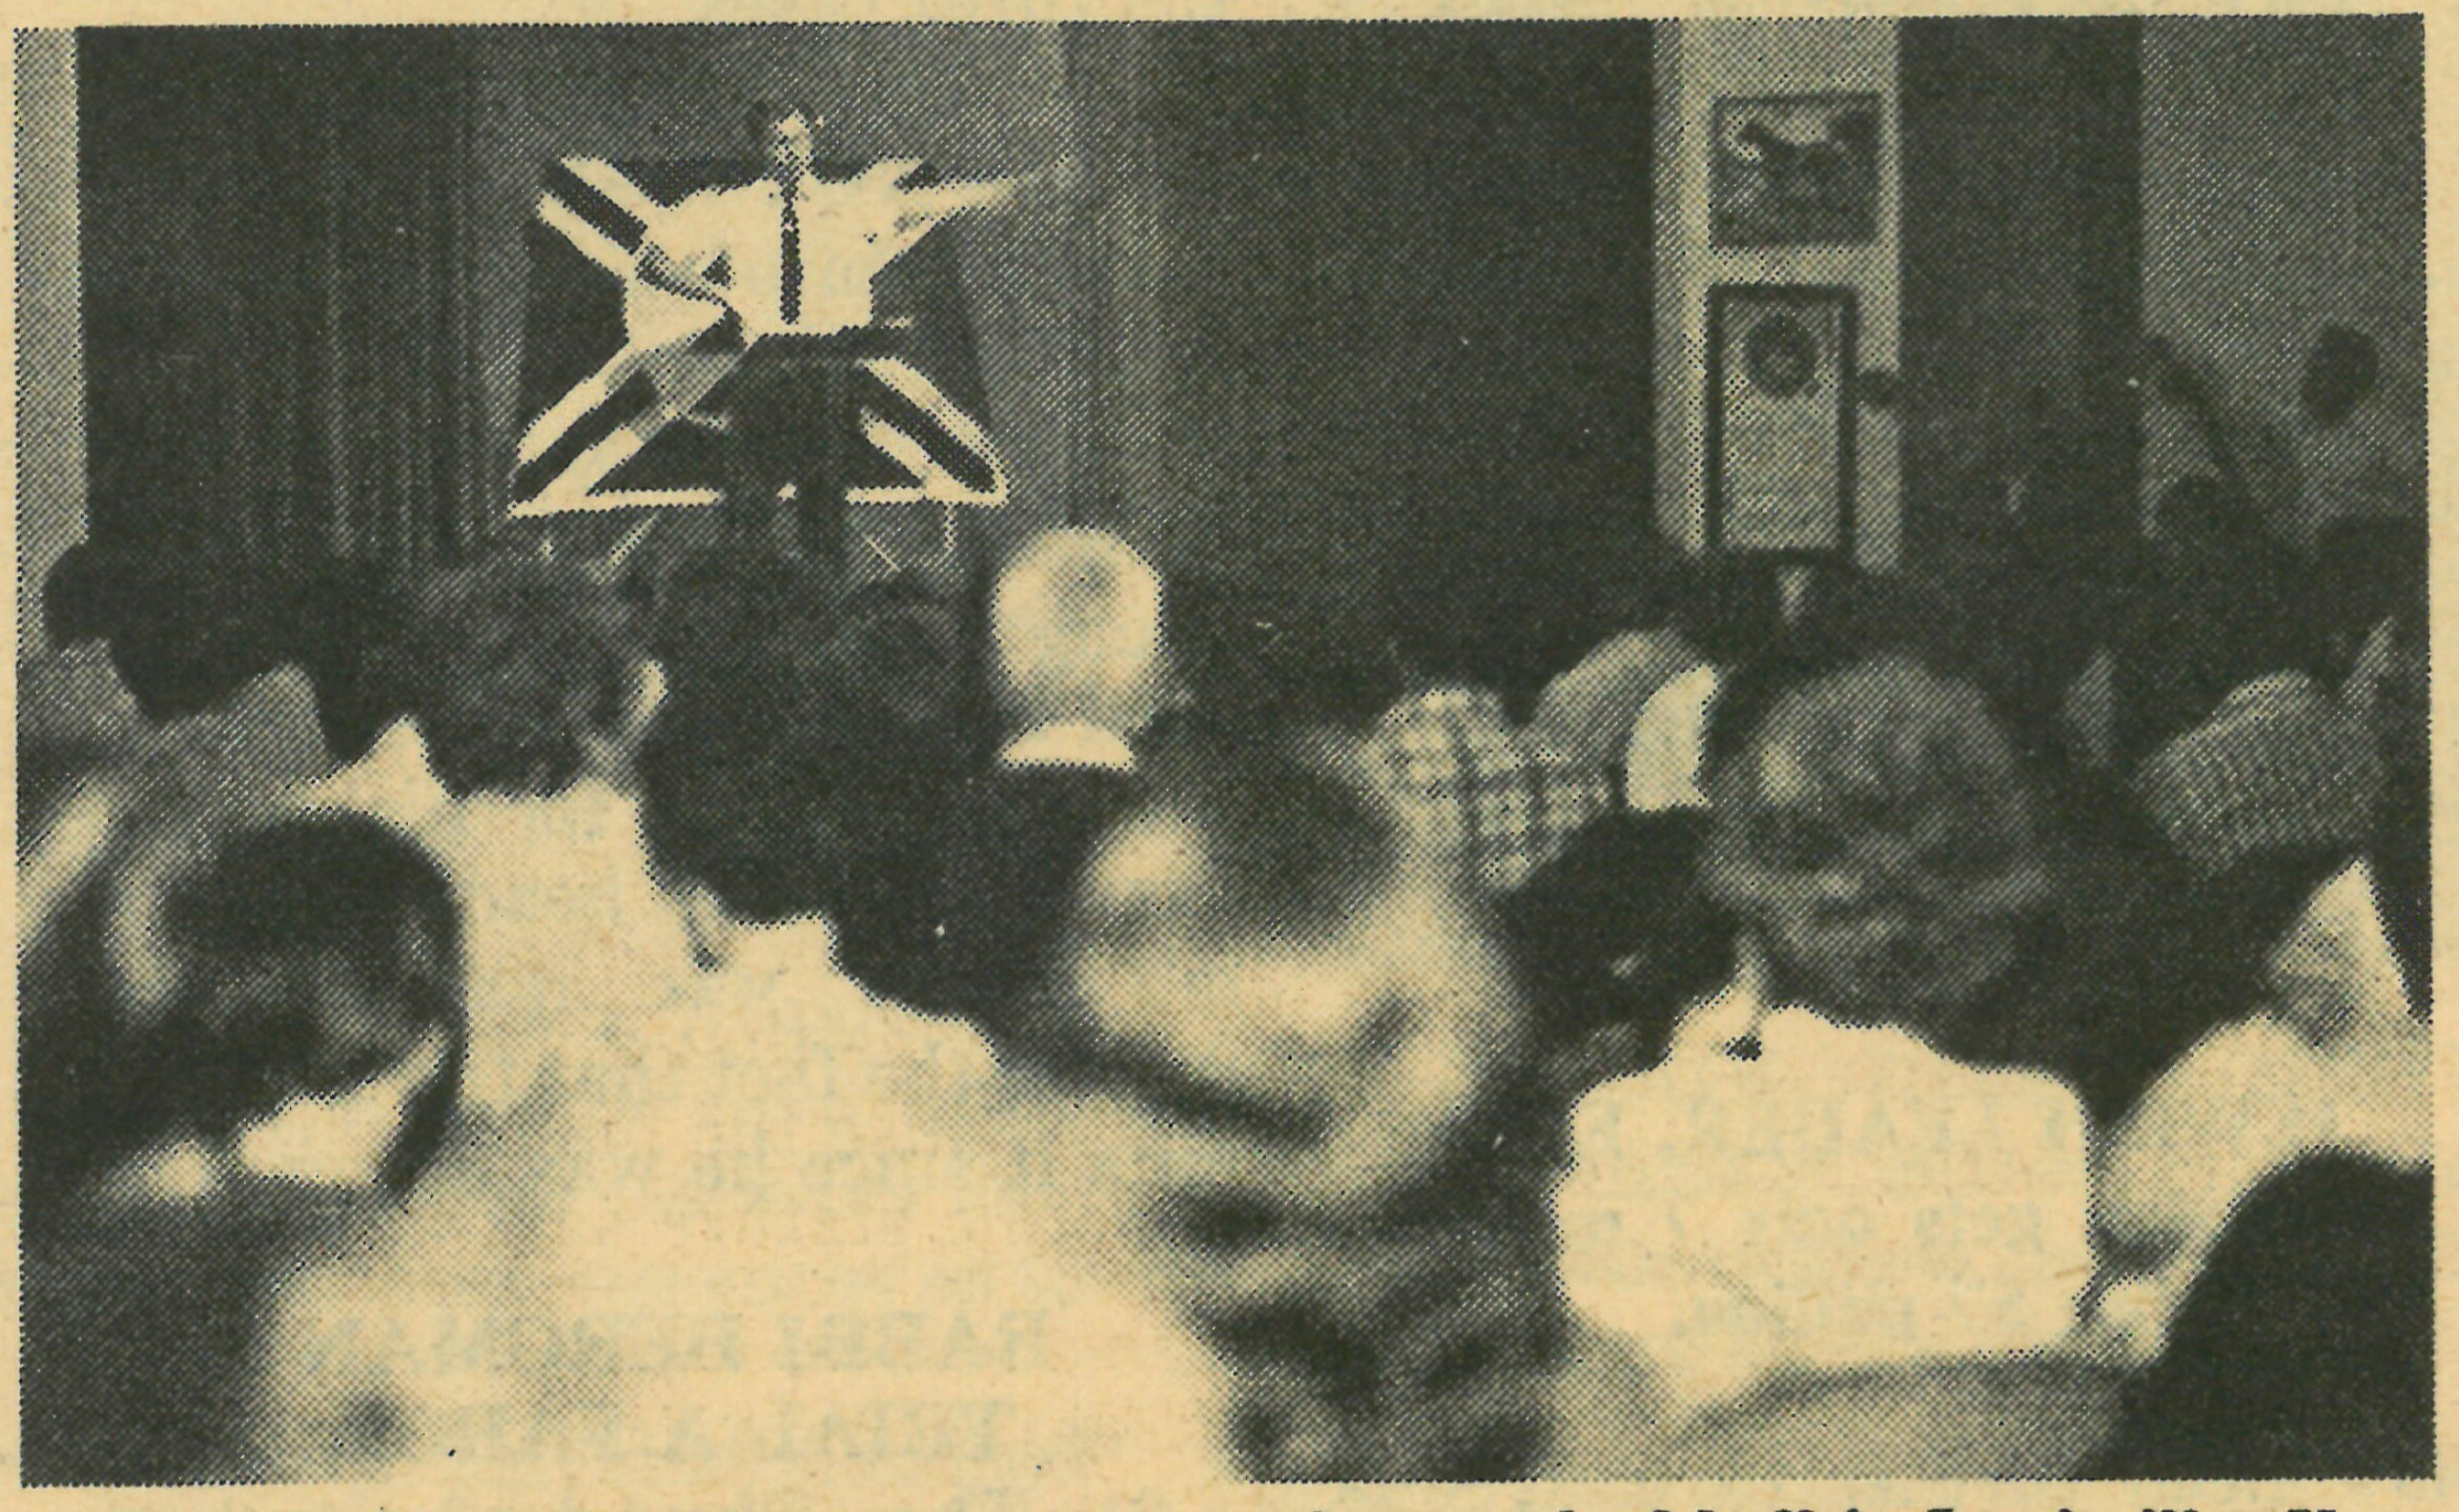
NSRP PUSHING MEETINGS

The National States Rights Party is emphasizing the holding of meetings and inviting the public to attend. It is our goal to reach as many people as possible with the circulation of our newspaper and with the spoken word.

An important addition to our speakers staff is Dr. Roy Brown from Texas. Formerly he edited his own publication called the *"Free American Sentinel."* Dr. Brown for years traveled and spoke with the late Kenneth Goff and was Dean of Goff's *"Soldiers of The Cross Institute"* in Colorado where he taught political and military science. Dr. Brown is now traveling nationwide presenting his inspiring White racist message at NSRP meetings. Recent gatherings include:

Wilmington, N.C. where an outdoor rally was held. Dr. Brown gave a stirring talk. NSRP Eastern N.C. Organizer Kenneth Poole also addressed the crowd.

Jacksonville, Fla. NSRP Chapter has moved its regular first Tuesday of the month meetings to "Pat & Mike's Restaurant" on Highway Ave. Dr. Brown spoke there last month. The audience was informed that the NSRP would step in to fill the gap of the party which loses this year's election. It is our belief that 1978 will be "our year" and we will run candidates in several states with the goal of actually winning political office.



DR. E. R. FIELDS addressing another packed hall in Louisville, Ky. There were not enough seats or standing room to accommodate all the people.

Memphis, Tenn. and St. Louis, Mo., were the sites of Dr. Brown's next two meetings where all agreed he had given them new encouragement to continue working for the PRESERVATION OF THE WHITE RACE. Our St. Louis Chapter is headed by Mrs. Mary Carr who is now expecting her 13th child. We congratulate her for being an example to all White families on the need to procreate our own kind for the advancement of our race.

Louisville, Ky., NSRP met and as usual we could not get all the people into the hall. A tremendous welcome was given Dr. Fields, Roy Brown, and Paul Niswonger. Supporters vowed that the fight against forced busing in Louisville should not be eased up or compromised in any way. The crowd shouted their unanimous agreement that false leaders who cooperate with the enemy under such guises as seeking *"safety for the children"* under forced busing did not represent them. NSRP meetings, protests, and demonstrations will continue in Louisville. Jerry Pope, Ky. State Organizer, will be this week's featured speaker at an outdoor Louisville NSRP meeting.

San Francisco, Calif., NSRP Chapter Leader Ray Reimer continues to report progress. Meetings are held monthly on Sunday afternoons. Hon. Hubertus S. Dallwity made a wonderful talk as guest speaker at the last meeting.

We have many new plans to reach the public with our message and wish to thank the hundreds who sent in their "Activity Questionnaire." If there is any way you can help be sure and rush your questionnaire back and we will write you of our plans for your state soon.

Help Your Own Kinfolk

CHRISTIAN IDENTITY MISSIONS REPORT

Dear Friends:

As older readers know the "Christian Identity Mission" effort is to help poor people who are not able to find any source of assistance from welfare, churches, or other similar groups.

With very limited means we have helped many of our folk who were "White Slaves" in the West Indies! We have sent money, health foods, and hundreds of pounds of good used summer clothing to our poor, Scottish, Irish and English brothers whose ancestors were exiled to the West Indies over 200 years ago. (More information on this subject free upon your request.)

At the very same time we try to help our folk here in America who are turned down by regular charities. An important case was that of a young, 32 year old divorcee, unemployed, with two children, aged 6 and 8. Negroes moved into their mobile home park. They physically attacked this poor girl's children, broke one's finger and bloodied the other child's mouth.

The windows of her mobile home were smashed. Neither the police or owners of the court would help. The family was forced to flee their own home and live with relatives. They had no money to move their mobile home to another mobile home court. In the meantime the vicious negroes were doing more damage to their home! The young lady heard about the work of Christian Identity Missions.

We had our local representative in the Kingsport, Tenn. area check out and verify the facts in this case. Upon receiving his report we quickly issued a check to cover the moving of her mobile home to another court. We then paid to have power hooked up to her home. This mother's happy letter of appreciation is herewith printed.

We want to help other needypeople of our own kind who have been rejected by the established charities but our funds are very limited. If you wish to help similar cases and receive regular reports on the work of Christian Identity Missions, please fill out the following.

Signed,

Yes, I agree that this effort is needed to help our own folk, both our brothers who are destitute in the West Indies and our fellow kinsmen here in America.

My contribution is in the amount of $ ——————————. Please send me more information on the work of "Christian Identity Missions".

MRS. P.F.S. and children happy after we moved her mobile home.

Dear Dr. Fields,

We have been so busy getting the mobile home back in shape.

The children and I are very pleased that you took time from your busy routine in order to help us.

I had just about given up hope of ever having my home again. We had called on the police, church groups, welfare, Salvation Army, and the Community Chest with no avail at ever getting help until I noticed your card at one local Mall. I thought I would try once more, and I thank God I did.

We had been beaten physically and emotionally by Black people and no help was at hand.

You truly were Godsent and may God bless you all!

Mrs. P.F.S.
Kingsport, Tenn.

P.S. I have since gotten married and my husband and myself would like you to visit with us.

P.P.S. Your associate, Tom Murray, was a great help and comfort during our stress.

Negro & Jewish Politicians Honor Queer Perverts

QUEERS JOIN MINORITY POLITICAL MACHINE

Only three political leaders in America proclaimed "Gay Pride Week" for the queer perverts. They were negro mayors Bradley of Los Angeles (who had a homosexual vice-mayor up until his recent arrest), Mayor Maynard Jackson of ATlanta and Jewish Gov. Milton Shapp of Pa.

It seems as though the leftists are trying to get every type of odd ball "minority group" in existence together against the White Christian majority. They are out to organize negroes, Asians, Mexicans, Jews and now queers into one united movement.

The "Philadelphia Inquirer" of June 20th reported that the Pa., legislature would have passed a resolution opposing Shapp's queer recognition proclamation as *"contrary to the morality and laws of the Commonwealth."* Only a swift move by Jewish House Speaker Herbert Fineman avoided the roll call vote. Jokes were made calling Shapp a queer stating that he had a second resolution, but had *"left it in his other purse."* Copies of a cartoon were duplicated and distributed by anti-Shapp House members depicting Shapp committing a homosexual act. The caption read; *"Shapp defends Gay Rights."*

Gov. Shapp is actually thought to be queer, but he explains his position right along typical Jewish lines that it is *"an extension of my long standing belief in full rights for minority groups."*

Gov. Shapp recently vetoed a bill which would forbid queers from holding jobs as state policemen or prison guards or workers with the mentally ill or juveniles. Shapp called it *"one of the worst bills I have ever seen."*

We believe that Shapp will most likely be the last Jew ever to serve as governor of Pennsylvania.

HOW RADICAL JEWS STIR UP TROUBLE

Dr. J. C. Peele of 1208 Perry Park Dr., Kinston, N.C. has always maintained separate waiting rooms for Whites and blacks. The ear, nose and throat specialist has been treating negress Marietta Jenkins of 816 Williams St., Kinston, N.C., for over a year. Her husband Charles saw this as a good opportunity to "rip off" a sincere White doctor who is trying to help sick people. He got together with a slick, radical, Jew lawyer named Adam Stein of Chapel Hill, N.C.

They have filed a $25,000 suit against the good doctor seeking damages for *"humilitation and mental anguish,"* because his wife had to sit in the colored waiting area.

It should also be noted that Marietta Jenkins was cured by the doctor after treatments lasting over a year and does not now need further care. It was only then that she decided that she had suffered the "mental anguish!" This type of outrage must come to an end in America. Radical minorities must be taught a lesson that the White Christian Majority will not tolerate such harassment.

JEWS CONTROL MANY COLLEGES

Editor, The Thunderbolt:

From 1968-71 I spent working on a Ph.D in mathematics at the University of Minnesota, Minneapolis, Minn. My grades were good but I was told by a young assistant, Professor L. Shapiro, that I was not Ph.D material. I was surrounded by professors like Meyer, Littman, Weinberger, Levine, etc. — all Jews! How can a gentile fight their kind of system? Keep up the good work of research on the Jews.

Sincerely,
C. M.

RABBIS IN TROUBLE

If a person is a Jewish Rabbi and is arrested by the police in most cases he will receive very little publicity and if convicted he is given a very light sentence. On this page we briefly go into the three cases.

QUEER RABBI NOT NAMED

1) This case was reported only in the "New York Daily News." It tells about the arrest of a rabbi in the process of raping two young White Christian children aged 11 and 14. He was caught in the nude, except for his prayer yarmulke on his head. The rabbi's name was not divulged despite the fact that the law permits it since he was 38 years of age.

RABBI BERGMAN TRIAL A FARCE

2) The Thunderbolt has reported in detail how the nation's largest nursing home owner swindled Medicaid out of $2.5 milion by filing false claims, not giving medicine and food to his patients, etc. Many elderly died of severe neglect in homes called worse than concentration camps.

RABBI BERGMAN sobbed for mercy. Judge Frankel gave him 4 months.

Rabbi Bernard Bergman, plea bargained, and pled quilty. The Orthodox rabbi's son Stanley, 33, would not be prosecuted and Bergman would "try" and pay back $145,000 of the stolen Medicaid funds. Judge Marvin Frankel said this was proper restitution and sentenced Rabbi Bergman to 4 months in jail. His lawyer Nathal Lewin complained that Bergman was in poor health. Judge Frankel then asked the U.S. proecuting attorney Jerry Epstein if Bergman could spend the 4 months in the Bryant Hotel. This is a so-called "half-way" home purchased by the state for prisoners about to be released.

Readers wrote letters to the editor of the New York newspapers protesting this outrage one saying that Bergman should have been sentenced to serve 8 years in one of his own nursing homes (the maximum sentence he could have received.) If you used a gun to steal $2.5 milion the least you would get is 25 years in a maximum prison. Jews participate in *"white collar crimes"* and receive favored treatment especially when one of their own race sits on the bench.

HOLLANDER STEALS $7MILLION GETS 6 MONTHS

At almost the same time a second Medicaid scandal broke in New York City. The Jew Eugene Hollander was found guilty of defrauding Medicaid out of $7 million. This was also a nursing home fraud case similar to Bergman's. Federal Judge Jack Weinstein gave Hollander 6 months at the Woodward Hotel. This is another half-way house. Hollander will serve 5 nights each week and have weekends off.

"The Jackson Daily News" in Misissippi was one of the few papers which dared to criticize such leniency for Jews. In its July 7 issue it commented:*"Lengthy investigations into Medicaid and food stamp abuses result in mere wrist slapping. A six month, five nights a week stay in a hotel for Eugene Hollander, indeed! We trust the convicted man has mint juleps, color TV and other niceties he might desire while sleeping in his cozy cell. Judge Weinstein called it a 'harsh' sentence but Hollander appeared 'relieved.'"*

Jews in America are getting away with criminal acts for which any White Christian would have to pay dearly. The time has come for an investigation to determine exactly why Jewish criminals seem to be above the law. Could it be that their influence reaches right into highest offices in the nation?

Rabbi Perverts Name Protected

A homosexual prostitution operation offering boys as young as 8 is doing a brisk, nightly business in a Times Square penny arcade, an investigation by the News shows.

Despite the campaign to clean up the area and despite pmlice surveillance of the operation, the Playland amusement arcade on W. 42d St. near Seventh Ave has for months been the location of a bustling, takeout boy market.

". . . Then Another

"On some nights it has been like Grand Central station," McCarthy said. "A car pulls up, a car pulls away. Another car, then another, then another."

The patrons, it turned out included more than a few middle-aged family men. A prosperous businessman arrived in his luxury sedan A federal official drove an official government car. An elderly Asian gentlemen pulled up in a Mercedes with dippomatic license plates.

Trail a Man

On Jan. 29, McCarthy and other members of the Public Morals Division decided to trail a man who had picked up two very young-looking boys.

The police followed him around Manhattan then through the Liccoln Tunnel and finally to Room 27 of the Chris Ann Motel, 1300 Tonnelle Av., in North Bergen, N.J.

When New Jersey cops called to the scene entered the room, they found a rabbi wearing only his yarmulke, and two half-naked boys. The boys were 11 and 14.

Charged With 2 Counts

The rabbi lives in Baltimore and works for a Pennsylvania meat-packing firm. He is 38 and has four children. He is free in bail, charged with two counts of impairing the morals of a minor and two counts of contributing to the delinquency of a minor.

Although many "chickens" are runaways, these two boys were New York City residents.

The blonde-haired, 11-year-old's troubled background was typical enough: He came from a broken home in the South Bronx. His mother, police said, was a former addict. New Jersey police sent him home. The next night, there he was, out in front of Playland.

"Some of the boys you see are only 8," says a lanky 15-year-old Brooklyn boy who is a veteran of the arcade.

Only One Way

And the street is only one way of meeting boys. Various telephone services, some advertised in gay magazines and some restricted to a select clientele by secret code words, offer kids to callers.

On Wednesday, police arrested five men for prostitution and promoting prostitution in the telephone operation of three homosexual sex services. Last month, a torture chamber of whips and chains was uncovered when cops closed a similar service on E. 14th St.

"Remember Houston"

A somewhat older Playland hustler added: "You have to be careful because sometimes people are pretty sick — remember Houston." He was referring to the homosexual torture-murders of 27 youths uncovered in Texas in 1973.

And closer to home there is the unsolved case of a 14-year-old boy found in a Jersey City ravine on March 26, 1975. Police believe he was a prostitute operating in that city and in Times Square. They believe he may have been with a customer before he died. Cause of death: a crushed skull.

Gang Rapes At Detroit Rock Concert Not Reported By News Media

DETROIT GANG RAPE NEWS SUPPRESSED

The daily press continues to suppress most all news of the negro gang warfare against Whites bursting out of control nationwide. On Aug. 16 a rock concert attended mostly by Whites was invaded in Detroit. On this page is the real story of what happened right out of the *"Detroit Free Press."* We also have the UPI dispatch which went nationwide and it left out any mention of the young girl who was raped right on the main street by 20 to 25 young negro gang members. The news wire services also failed to print the statement by Deputy Mayor William Beckham that *"It was an outright and flagrant challenge to our security and to police authority in Detroit, and we failed to meet it!"*

Brutal negro gangs now rule our major cities and the police are simply too afraid to move in and arrest them! At the same time the anti-gun crowd wants to pass more laws restricting the right of the law abiding to *"keep and bear arms."*

Cobo Fest Erupts In Gang Violence, Rapes, Robberies

BY JIM CRUTCHFIELD
Free Press Staff Writer

A rock concert at Cobo Hall erupted into violence Sunday night with reports of beatings and robberies inside and outside the downtown hall and two reported gang rapes in alleys near the Hotel Pontchartrain.

An estimated 200 youths Sunday night stormed the large convention and concert hall, picked up chairs, and told the largely white audience: "We want what you've got."

A 16-year-old black girl said she saw 20 to 25 black youths snatch a white girl's purse, beat her white boyfriend and then strip her to her shoes and rape her.

The witness said she saw about 100 black youths attacking whites for no apparent reason around a parking lot off Larned near the Pontchartrain.

The same gang apparently continued its rampage along downtown streets, attacking people and smashing store windows along Woodward Ave. following the Cobo concert which featured the rock groups, the Average White Band and Kool and the Gang.

The first reported trouble occurred about 9 p.m. when an estimated 1,000 persons crowded around the front doors of Cobo hall.

Lt. Charles Ramsey of the city fire marshal's office said about 200 persons, apparently members of gangs, were trying to crash the front door.

Inside the hall, groups of black youths, identified by one young black woman as members of the Errol Flynns and Black Killers (BKs) teenage gangs from the east side, were rushing on stage, throwing chairs and robbing people.

Ramsey said he saw gang members stealing wallets by cutting trouser pockets with knives.

An hour after the first report of trouble, groups of mostly white people streamed out of the hall and told the police officers there that they should go inside.

The police officers remained outside the hall, however, telling the concert-goers that private security guards were responsible for keeping order inside.

WITNESS REPORTED ASSAULTS on security guards. They said there were not enough security guards inside to handle the gang which swept through the crowd.

Most of the trouble apparently was on the concert floor, not in upper seats. "I seen 100 guys in one pack," one black man said.

Judge Says Busing Is A Race Issue

AMERICA BECOMING LIKE SOUTH AFRICA

Federal Judge George Edwards of Cincinnati recently spoke at the American Issues Forum in the Sheraton Hotel in Chicago. He stated that America is becoming increasingly more and more segregated. Judge Edwards explained: *"The White population's move to the suburbs increasingly leaves the central cities to the blacks."*

He added that if this trend continues America's largest dozen cities will be more than 90% black in the next decade. Judge Edwards also said that busing is a racial issue. *"Let's be frank about it, it's not the school bus that is the problem, but where the bus is going that counts. Busing to all-White schools has never been protested."*

Judge George Edwards supports race mixing but says the fact is, that the country is *"slipping toward apartheid"* like they have in Soutn Africa. If this is the case, it is certainly a natural phenomenon because the Federal Government is doing all within its power to mix the races.The truth is that people gravitate toward their own kind. Why should our government condemn the White people of South Africa for doing exactly what we are practicing ourselves? The time has come for our leaders in Washington to shed all forms of hypocrisy and face the facts of life as they actually exist. All the species of the animal world separate themselves and so do the different races.

STABBED ON TRAIN AS KIN WATCH

By Roy F. Wake

It was going to be a nice Sunday for Thomas Michael McBrayer, 24, of 3137 Kenwood St., Hammond, Indiana. He would take the train with his daughter and her grandmother to see the Chicago Cubs play baseball.

The three were on the South Shore Line train. Billie Jean McBrayer, 3, was on her father's lap; Mable Williams, 64, was sitting next to her son-in-law.

Suddenly, a happy Sunday outing came to a bloody end. With aparently no warning, a Black man rushed from the seat across the aisle, stabbed McBrayer, who is White, with an 8-inch steak knife and escaped when the train stoped at the Keningston station.

Passengers in the single-car train wer shocked. Mrs. Williams shouted,*"Oh my God, my darling."*

A short time later, police arrested the assailant, Harold King, 24, of Gary, Indiana, as he washed blood from his hands with a garden hose in front of a house several blocks away on Martin Luther King Drive. There were also blood stains on his pants.

Kensington Patrol Officer Martin A. Lee who made the arrest said,*"He (King) got violent and began making racial slurs at me as a White police officer."*

Of the more than 40 passengers in the railroad car at the time, only nine admitted to having seen the stabbing and were willing to give police their names as witnesses, investigators said. Those nine included the train conductor and trainman.

When the train stopped, the conductor, John Gardner, ran off in pursuit of the assailant and followed him several blocks before losing him and stopping police officers.

*"When I arrived at the train station, McBrayer was lying on the floor and one of the passengers was taking turns with a trainman in giving him mouth-to-mouth resuscitation,"*said Patrol Officer Richard Baranski. However, McBrayer was dead on arrival at Roseland Community Hospital.

*"I walked through that train full of people and everyone claimed they were in the bathkroom at the same time,"*said Baranski.

One witness who refused to be identified told us what he saw: *"I was sitting behind them and saw this fellow up there in an aisle seat with a little girl in his lap and a woman next to him, by the window. A man was behind them and then I noticed he moved to the seat right across the aisle."*

He continued,*"I turned to look out the window, and all of a sudden I heard a commotion, and the woman and child were screaming. At first I thought it was a heart attack, because the man was slumped in the seat."*

*"There was no reason, a hand just came out with a knife,'*Mabel Williams, the victim's mother-in-law said.

King's coat and the murder weapon were recovered; and after being identified by at least two witneses on the train, he was charged with murder.

THE BLACK TERROR IN CHICAGO

It was late one night last month when heavy rains flooded Chicago's Dan Ryan Expressway. Police directed motorists to detour through the black South Side of Chicago. As the cars slowly plowed through the water one stopped. A group of young blacks demanded $10 from Leo Anderson, the editor of an industrial magazine. He refused and tried to drive forward. The negroes smashed his windows with bricks. Then one came up to the window of the stalled car and shot Mr. Anderson twice and his wife Phyllis once in the head. She died immediately! Their three daughters witnessed the terrifying murder from the back seat.

Dr. Marvin Wolfgang, a leading criminologist, has announced that there is a growing number of homicides committed by "strangers" without probable motive in America. *"Stranger murders"* have increased by 34% over last year. They are also called *"hate murders."* Almost all of them involve negroes who kill their White victims after robbing or raping them without provocation. The needless killings are caused by a growing negro hatred for White people.

Theresa Ann Lane, 18, and her boyfriend were kidnapped on May 21. She was strangled to death and her boy friend shot to death in Chicago. Negroes are being sought in this case which is like so many other senseless killings of Whites in Chicago. The press suppresses the facts but negroes and negroidal Puerto Ricans are responsible for over 95% of all crimes of violence in that city.

This is the reason Whites want to keep negroes from moving in and driving them out of their neighborhoods with violent crime. Chicago's Marquette Park has become a northern "Mason-Dixon" line that the Whites seek to keep the blacks from crossing. On this page we reproduce two articles which clearly explain the struggle to save White neighborhoods in Chicago. This is a struggle to keep the jungle rot of Africa from destroying beautiful civilized White neighborhoods. Whites in the larger cities of the North have a greater appreciation of what the "Black Plague" can do in wrecking White areas. They see and feel the steady push of the black population as it grows, seeths, expands, and threatens hundreds of square blocks of beautiful homes. This is the cancer that is eating away at the heart of the city of Chicago. . .

Quotes Prove Jews Back Forced Busing

By Dr. Edward R. Fields

DR. EDWARD R. FIELDS, Editor of "The Thunderbolt."

WHITE PEOPLE WAKING UP?

A survey made by the negro *"Joint Center for Political Studies"* found that the last election was the worst thus far for black candidates. Eleven black mayors were defeated, eight of them by Whites. Nine retired, but five of them were succeeded by Whites. Black challengers ran against 10 White mayors and lost every race. Every city with a negro mayor has been swept with decay, corruption and a lowering of the quality municipal services. Such cities that have gone down under negro mayors include Atlanta, Detroit, Los Angeles, Newark, N.J., and Gary, Ind.

CHEF BOB WILLIAMS.
How clean is his food?

BLACK CHEF SCARES CUSTOMERS

Chicago, Ill., had a local T. V. show film negro Bob Williams preparing food at The Edinburgh Castle Inn. Immediately afterwards, customers began cancelling dinner reservations. The owner, Jane McDougall, of Glasgow, Scotland, said that it never entered her head that most of her customers did not know that her chef was black.

One caller in Chicago said, *"cancel my reservations, I don't want to go to a restaurant where a filthy nigger is the Chef."* Business fell from an average of 90 customers a night to only 11. Many have heard of cases where negroes who harbor an inner hatred for Whites have deliberately befouled food and performed other filthy habits while preparing food that would sicken our readers if detailed here. There can be no doubt that the polarization of the races in America is continuing and that Whites are becoming ever more concious of blacks.

GOV. NOEL STEPPED DOWN FOR TELLING THE TRUTH

Gov. Philip W. Noel of Rhode Island stated recently that it was the *"character"* and *"habits"* of black parents which led to violence on the part of negro youths. He said this was one reason busing was not working. The Black Democratic Caucus and ADA demanded that he resign from the Democratic Platform Committee. Noel handed in his resignation to Robert Strauss, the Jewish National Chairman of the Democratic Party.

Second Look At Jewish Raid

ISRAELI TERROR AT ENTEBBE

Much praise has been heaped upon Israel for its attack at Entebbe, Uganda to rescue some 93 Jews held hostage. A movie and a book are now coming out hailing this operation. The following facts have not been noted by the press.

1) The Palestinian Commandos had no intention of harming their captives. They merely wanted to exchange them for their fellow soldiers who had unfair military trials in Israel. All they were seeking was freedom for their countrymen in Palestine. No bombs were placed around the hostages but they could have easily been shot down when the commandos learned the Jewish forces had arrived.

2) Premier Yitzhak Rabin personally ordered that all the Arab commandos be shot dead on the spot. He especially singled out the two Germans who aided the Arabs. In words dripping with hatred for the German people, Rabin said; *"It was the two Germans who separated the Jews from the Christians on the plane and we shall not allow Germans ever to do this again."*

3) The three Jewish hostages who were killed died from the fire from trigger happy Israeli soldiers who thought they were massacring the Arabs and Germans. The Jews also destroyed 8 Ugandan Jets, despite the fact that Uganda had no trained negro pilots who could fly them. Israeli secret "Mossad" agents already in Uganda knew of the situation and all of the Jews could have been freed by working out an agreement with the Palestinian Commandos. The result was 4 Jews, 8 pro-Palestinians and 20 Ugandan soldiers killed. This does not sound like a completely successful raid from any side. It does show to what lengths the Jews will go to have their own way and is representative of their refusal to sit down at the peace table and reach an agreement with the Arabs over the territory they have illegally occupied for so long a time. This is the real crux of the problem which had led the Palestinian people to such desperate acts designed solely to force the Jews to grant justice to these enslaved Arabs.

Against Mixed Marriage for Jews

JEWISH BLOOD COMES FIRST

The Jews are indeed a separate racial strain of people apart from White European peoples. Numerous articles prove that the Jews do indeed consider themselves a separate group. The vast majority of Jews in the world today, 90% of them, are descended from the Khazars of Eastern Russia. These people never originated from Palestine.

On this page we reproduce a brief news item which describes the case in which a wealthy Jew in England declared that nothing from his estate could go to any relative who married any person not of "Jewish faith and blood." This meant that the individual could not even convert to Judaism because they would still not be of "Jewish blood."

Mixed Marriage Cuts Off Inheritance

London, England –AP– A titled Briton has lost most of the income from a family trust fund because his second wife is not Jewish.

By marrying his second wife, Pamela, 35, in 1968, Sir Bruce Adolph Reginald Tuck, 49, lost his right to share in the income from the fund, High Court Judge John Whitford has ruled.

The judge noted that Sir Bruce's grandfather, Sir Adolph Tuck, had tried in the trust settlement to insure that the dignity and honor of his baronetcy, which he considered was conferred as an honor for the entire Jewish people should go only to persons of Jewish faith and blood.

Important Quotes From Jewish Leaders

All of the above and the irrefutable documentation on this page should be enough to repudiate the likes of Bob DePrez and any similar "anti-racists" who work with the Jewish ADL and Birch Society to defuse the anti-busing fight by saying that "Race has nothing to do with it." If a neighborhood school was all black wouldn't we want to bus our children farther away if they could thereby attend an all White School? The real reason why any sincere parent and concerned Patriot opposes busing is because we do not want our children integrated with lower racial types with manners, habits, and attitudes that are alien to those inbred within our White children. We also do not want our children socializing with negroes, dancing with them, dating blacks, marrying them or producing mongrel offspring!

At the same time keep in mind that the heads of all three T. V. Networks are Jews (NBC — Sarnoff, CBS — Wm. Paley and ABC — Goldenson.) The overwhelming majority of the Hollywood movie studios are owned likewise by Jews and our children are familiar with the race-mixing filth they are spewing out such as "Mandingo" and "Drum" being the very worst of all for the current season.

The following are quotes taken right out of the mouths of the most important Jewish leaders in America. Their influence is TOTAL over the Jewish community and you can decide whether or not this is the wellspring from which flows the evils of forced busing.

Jewish Plans Which Produced Forced Busing

Aaron Goldman's address to the National Council of Jewish Women:

"We Jews have played a significant part in securing laws for Negroes that guarantee equality. We have raised the expectations of American Negroes and must not allow them to become frustrated, angry, and desperate if their dreams fail to materialize."

Mrs. Joseph Willen, president of National Council of Jewish Women; "Jewish parents must intensify their fight in behalf of the American Negro's struggle for racial justice . . . this is the best way to combat White blacklash.

Sen. Jacob Javits addressing the Jewish ADL; *"The Negroes' struggle for equal rights is of vital importance to American Jews . . . Jewish support of the Negroes' aspirations for equality should be regarded as a badge of honor."*

Former Supreme Court Justice Abe Fortas (forced to resign in disgrace) told the American Jewish Committee; *"The battles of the non-Whites for equality in America are essentially the same as those of the Jew and the Jews must help in his struggl.e"*

Actor-Singer Theodore Bikel who starred in "Fiddler On The Roof" said; *"A strong commitment to civil rights is implicit in Judaism. We must speak out against discrimination..*

Concluding Notes: Cold statistics prove that Jews in America are the main ones shelling out the money which finances race-mixing activities. It was the Jewish *"Emma Lazarus Federation"* in New York City which raised thousands for Martin Luther King's infamous *"Selma March."*

Leonard Bernstein, the symphony conductor, raised large sums for the 21 Black Panthers tried for bombings and other violence.

Most black radicals have Jewish lawyers. Charles Garry represents revolutionary Eldridge Cleaver. Leonard Weinglass handles the *"Symbioneese Liberation Army"* defendants.

William Kunsler has handled more black revolutionaries than any other lawyer.

Finally the largest Jewish owned daily newspaper in America, "The New York Times" states in its Sept. 19, 1966 issue: *"The Jewish community has long been the financial backbone of the civil rights movement . . . No commission on race is needed to arouse Jewish support for civil rights activity in the South. . . . Jewish support for civil rights is still high."*

The people with the political power and the financial resources to move the nation into forced busing against the overwhelming wishes of the White majority is the organized Jewish community. Unless we face up to exactly WHO is causing this tragic and inhuman problem upon our White community then we can never stop them. Remember that what organized Jewry fears more than anything else is public exposure. They cannot stand the light of truth. When you awaken others to the chief source of our problems then you take one giant step toward forcing them to stop this deliberately planned scheme for the integration, interbreeding and the destruction of the White Race.

Why Do They Do It? Perhaps the answer to that question can be found in an old Jewish publication, *"The Jewish World"* of Feb. 9, 1883. It stated: *"The great ideal of Judaism . . . is that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations . . . a greater Judaism, in fact . . . all the separate races and religions shall disappear."*

THE THIRTEENTH TRIBE

by Arthur Koestler

One of the world's leading Jewish authors reveals the details of the Khazar background of the Jews. Gives exhaustive history of the Khazars and their "conversion" to Judaism in the year 800 AD. This amazing admission proves that the Khazar tribe originated in Russia and their ancestors NEVER lived in Palestine — meaning that they have no legitimate claim to the land they have illegally occupied in Palestine.

Blacks Are Killing Whites Wholesale From Coast To Coast

Negroes Impose Death Penalty Upon Whites

Let us not forget that negroes are today committing 90% of all crimes of violence in our major cities and are responsible for the high crime rate in America. Few realize that every 15 minutes a White person is raped by a black somewhere in America. Negroes are daily imposing the death penalty upon housewives, children, shopkeepers and other productive citizens. However, the death penalty is never imposed upon the killers because it has been banned by the Supreme Court.

Is the Supreme Court impartial in its rulings on racial questions?

It has not occurred to most people that the Jew-stacked Supreme Court has never once ruled in favor of the White majority in any racial case finally concluded before that body. Every time they rule that minorities have special rights above and beyond the rights of the White people. The wishes of the blacks must be served first in all situations, be it a question of jobs, busing, housing, etc.

The time has come for the American people to realize that we have lost control of our government, and it is now being run by Jews and Jew-owned puppets whose only goal in life is to appease the minorities at the price of surrendering all the freedoms, rights, and liberties of the White Christian people in America. We no longer can choose where our children can go to school, who they will associate with, or who our neighbors will be. The time is rapidly arriving when a Marxist authoritarian state will be imposed upon us. The American people must awaken to this dire threat to our very existence as a separate racial entity in America before it is too late.
